CAPTAIN'S MESSAGE:

Officer Lee from Richmond Station along with Supervisor Sandra Fewer, recently attended a community meeting at Kawikas Deli, regarding public safety concerns that the community had. Below are some of the highlights of the meeting:

Many people expressed their concerns about the growing number of homelessness around La Playa. Officers have been briefed about the situation and will increase passing calls in the area. Richmond Station also has homeless outreach Officers who will address the area and attempt to encourage individuals to seek services and city resources.

Residents expressed concern about vehicles speeding through different areas of the Richmond District, especially in Golden Gate Park. Supervisor Fewer indicated that she was working with DPW to increase lighting within the area and to conduct a traffic study within the park. Supervisor Fewer also mentioned that Richmond Station and her office will be offering a driver re-education or refresher course in hopes of making the streets safer for vehicles, pedestrians, and cyclists.

Residents were happy to see Police Officers at 850 La Playa, and expressed their appreciation for the Officers. Residents stated they have seen an enormous difference and hoped they would see more Officers in the future.

One of the biggest concern was the increase in property crimes within the district. Richmond Station recently launched a plainclothes unit, increased the number of foot beats for crime ridden areas and is in collaboration with the SFDA's office in solving, and reducing these types of crimes.

Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on February 13th, 20th, 23rd and 28th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

San Francisco Police Safety Tips for Lunar New Year Festivities

Gung Hay Fat Choy! The 2018 San Francisco Chinese New Year Parade will be held on **Saturday, February 24, 2018**. The parade, begun in the 1860's as a means to educate the community about Chinese culture, is the largest such lunar year celebration in the country and one of San Francisco's most popular and well-attended events.

With huge crowds expected, including guests from all over the world, public safety is the San Francisco Police Department's number one priority. There will be a significant police presence during Lunar New Year activities, with both uniformed and plainclothes officers on duty to monitor public events. As with any large event, safety is everyone's responsibility, including participants, organizers, security staff and law enforcement.

Lunar New Year celebrants can help avoid becoming a victim of a crime by keeping in mind the following safety tips:

- The festivities are about celebrating community. Look out for each other and report any suspicious persons or activity to event staff or a police officer.
