On February 11, 2024, SFPD officers from Bayview Station were detailed to the Stunt Driving Response Unit in anticipation of any possible illegal activity following the Super Bowl. At approximately 11:13 p.m., the officers were at a gas station on the 4200 block of Mission Street regarding a tow of a vehicle related to a different investigation when they were surrounded by multiple individuals on dirt bikes and one on an ATV who began circling the gas pumps and driving recklessly.

During the incident, the suspect on the ATV struck and nearly ran over an SFPD officer and purposefully collided with a pedestrian. The suspect fled the scene on dirt bike that was driven by a different suspect and the ATV was left at the scene. The officer and pedestrian sustained non-life-threatening injuries. The pedestrian was transported to a nearby hospital for treatment.

SFPD General Work Detail led the investigation with the assistance of the Community Violence Reduction Team (CVRT). Through the course of the investigation, the suspect was identified as 31-year-old San Francisco resident Julian Alberto Ulloagomez. A warrant was issued for his arrest.

On August 29, 2024, at approximately 6:15 p.m., General Works investigators with the assistance of SFPD’s Fugitive Recovery Enforcement Team (FRET) placed Ulloagomez under arrest without incident.

Julian Alberto Ulloagomez was booked at Ingleside Police Station on charges of attempted murder (664/187 PC), assault with a deadly weapon on a peace officer (245(c)(1) and filing a false police report (148.5(c)PC).

While these investigations can take time due to varying factors, investigators continue to work tirelessly to investigate and follow up on these incidents. SFPD does not tolerate this dangerous behavior and reckless drivers, of any vehicle, will be held accountable.

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD at 1-415-575-4444 or text a tip to TIP411 and begin the message with SFPD. You may remain anonymous.
