Chief's Message

I would like to take this moment to thank Chief Gregory P. Suhr for over 34 years of dedicated commitment to this Department and the people of the City of San Francisco.

His dedication to the principles of community policing have been integral to the health and well-being of our city. Over the past five years, these efforts have resulted in many successful programs and lasting partnerships that have flourished under Chief Suhr's command. But more importantly, the youth of San Francisco have benefitted greatly from Chief Suhr's passion to make a difference in their lives, a guardian mindset he has instilled in all of us

It has been an honor to have worked for and alongside this innovator and champion of the San Francisco Police Department.

In the coming months, I plan to continue the reforms set in motion over the past 18 months, steps that will lead to policies and procedures that will protect the sanctity of life of not only our public, but our members as well.

Please join me in honoring this great leader by pledging your commitment to finish what we have worked so hard to accomplishment these past five years. Chief Suhr will be missed.

We will persevere through this challenge.

In the words of Chief Suhr – be safe out there.

TONEY D. CHAPLIN
Acting Chief of Police
