On 7/26/2023 at approximately 1445 hours, three plainclothes officers assigned to Community Violence Reduction Team (CVRT) recognized a person with an active felony warrant for their arrest in the area of Fairfax Ave and Catalina St of the Bayview Hunter's Point neighborhood. The CVRT

officers confirmed the person's identity, advised the person of the warrant, placed them under arrest, and requested another unit to provide prisoner transportation. As the officers were waiting, a subject unrelated to the warrant arrest confronted the officers and demanded the officers uncuff the person in custody. The subject threatened to kill one of the officers and said the person in custody was not going with the police. The subject took a few steps back, lifted his sweatshirt, reached toward his waistband, and wrapped his right hand around the grip of a handgun while looking at the officers and yelling at them to uncuff the person in custody. The CVRT officers alerted others in the immediate area and notified dispatch that the subject had a gun. Two other SFPD uniformed patrol officers arrived on scene in their marked patrol vehicle and ordered the subject to put his hands up and get on the ground. The subject did not comply with the commands and continued to shout at the officers while keeping his right hand gripped on the handgun. The subject then removed the handgun from his waistband and held it at his side. The subject then immediately raised his right arm into an extended position and pointed the handgun at the patrol officers. One officer discharged his handgun and the other discharged his patrol rifle. First aid was administered, and the subject was transported to ZSFGH where he succumbed to his injuries.
