A local San Francisco resident had a famous “Eyeball with Hat” mask and an original album cover photo from the musical band called the “Residents” taken from him by an unknown suspect.

In this incident the victim loaned the mask, which was valued at \$100,000.00, to a museum in Seattle for a predetermined period of time. On May 5th, at the conclusion of the loan, the curator sent the mask back to the victim using a major delivery courier service. Unfortunately, the victim was traveling and was not present to receive the shipment.

The package was delivered and signed for by an unknown person using an illegible signature. The mask has been used on a record album cover and is periodically displayed throughout the country. The pictured top hat is now black instead of white and was contained in a shipping crate (photo attached). Stolen along with the mask was the original album cover photo which the victim values at \$20,000.00.

Anyone who recalls seeing the mask, photo, or crate or has information on this case is asked to contact the Anonymous Tip Line at (415) 575-4444 or Text A Tip to TIP411 and include “SFPD” at the beginning of the message.
