The San Francisco Police Department is aware of the incidents that occurred in France and we are following the situation. Chief Suhr has been in communication with our partners at the Federal Bureau of Investigation and he has requested updates and information on any potential security concerns in California. Chief Suhr has also been in communication with Mayor Ed Lee's Office.

While there is no known threat here in the United States, SFPD Officers have been advised to maintain high visibility and to increase patrols in areas of significant public traffic. Additionally, the Police Department has contacted the French Consulate and is working to address any security concerns they may have. As always, we remind the public, "If you see something, say something!" Report suspicious persons or activity to 9-1-1.
