There was a deadly traffic collision on May 3, at 2:20 a.m. It appears that the suspect's vehicle entered the intersection of Cesar Chaves and Folsom Streets at a high rate of speed and failed to stop at a red light. The victim's vehicle was broadsided, and the victim suffered fatal injuries. The victim was transported to San Francisco General Hospital where he died later. The suspect fled the scene on foot.

SFPD's Traffic Collision Investigation Unit conducted the investigation. This investigation led to the identification of the suspected driver. A \$1,000,000.00 warrant for felony hit and run and felony manslaughter was issued for Jamie Linares, 25 years old and a resident of San Francisco.

SFPD's Traffic Collision Investigation Unit, Violence Reduction Team, plainclothes units from Bayview, Ingleside, and Mission Stations, went on an all out search for the suspect. The suspect turned himself in on May 7, 2014. He has been booked at the county jail on the above warrant, and he is currently on felony probation for robbery. There is no booking photo available, because there are identification matters pending
