In comparison to February, the March trends for residential burglaries are slightly up. While we have not had the same issue with daytime hot prowls, we have instead seen a trend of late night garage burglaries in the district. As a department, we recommend that you lock your garage doors at night and request SF SAFE to evaluate your residence.

The March trend for auto burglaries and theft is down. We have added personnel to the Taraval Neighborhood Team (TNT) and their continued focus is to address violent crimes and property crimes in the district.
