In 2017, the Taraval District had an increase in the number of auto burglary incidents, but had a decrease in the number of residential burglary incidents. At the beginning of this year, Taraval Station began an ongoing abatement effort, coupled with an educational outreach program to address both crimes from multiple fronts. Taraval Station officers will conduct operations in different areas of the district and will identify and/or apprehend subjects who are committing these types of crimes. Taraval Station officers will also conduct an educational outreach component to residents, businesses and visitors in an effort to decrease the number of incidents. Taraval Station looks forward to working with you to ensure that the district continues to be safe and vibrant.
