March 21st, 2018 was an amazingly challenging day for our Station, the community, and everyone who was involved and/or affected by the tragic shooting incident at Geneva/London Streets. The question for all of us moving forward is: “Are we bigger than this moment in history, or is this moment in history bigger than us?” I believe that Ingleside Station members, the Crocker Amazon/Outer Mission/Excelsior neighborhoods, and all of its businesses, tourists, merchants, visitors, and residents are not only bigger than this moment but are more vibrant, more resilient, more safe, and more connected than ever before; we are truly better together than we are alone. I am grateful for our community’s support and know that together, we will continue to heal and thrive physically, mentally, emotionally, and spiritually.
