The San Francisco Police Department has partnered with San Francisco Little League Baseball. In this final game of the season, members of the San Francisco Police Department will participate as volunteers assisting the young special needs players.

The event will take place on Sunday, June 9, 2013; at Teper Field on Treasure Island from 1pm to 3pm. Officers from the Bayview Station and Southern Station will participate. Chief Suhr is scheduled to attend. There are approximately 200 people expected to attend this event.

The Junior Giants Challenger League is a league of families that meet on Sundays to play baseball. The youth players overcome personal challenges to play the game of baseball. With the help of volunteers and coaches, the players get the opportunity to participate in every aspect of the game.

Chief Suhr has promoted this partnership and with the assistance of Captain O'Sullivan of the Bayview District, Captain Redmond of the Southern Police District and the San Francisco Police Officers Association. The San Francisco Police Department has embraced this opportunity to participate with families to make every Challenger League Sunday a memorable event.

The San Francisco Police Department continues to support events and groups that

focus on the needs of the community.
