This week we had our annual Community Police Advisory Boards (CPABs) Summit, a city wide event with all the CPAB groups from each station. Thank you to my CPAB members for helping make the event a huge success.

CPABs are groups of residents and business representatives who are selected by each District Station Captain to assist in problem-solving around crime and safety issues, and to act as a “think tank” for community policing activities. Thank you to all of the volunteers that make this happen.

The Richmond District CPAB meets the third Monday of each month from 6:00-7:00 PM. Anyone interested in joining can email the station. This is a volunteer position and requires a commitment and interview process.
