Well 4/20 has come and gone. I would like to say thank you to all the city agencies, who planned this event and worked with us in executing a well devised plan. Park and Rec did an outstanding job regarding the event itself, SFMTA did a great job on transportation and SFPD maintained law and order. I think part of the success with the plan was the press conference that Supervisor Breed had on the Wednesday before the event where she publicized all the rules and regulations associated with the event. I think we and all the other agencies did a great job in getting the information out regarding road closures, public transit rerouting and how best to get to and from the event. I hope the residents found the hot line a useful tool.
