As part of our commitment towards accountability and transparency with our community, the San Francisco Police Department is providing an update on officer-involved shooting (OIS) investigations.

Prior to May 4, 2019, officer-involved shootings involving San Francisco Police officers were investigated by the SFPD Homicide Detail, the San Francisco District Attorney's Office - Independent Investigations Bureau, the SFPD Internal Affairs Division and the San Francisco Department of Police Accountability.

On May 4, 2019, the San Francisco District Attorney's Office - Independent Investigations Bureau replaced the SFPD Homicide Detail as the lead in OIS investigations. The SFPD Investigative Services Detail (ISD) will examine the ancillary crime and assist IIB in OIS investigations.

Visit [San Francisco District Attorney's Office Decision Letters](#) website for additional information.

Additional information regarding officer-involved shootings, use of force and accountability can be found on the [SFPD Published Reports page](#).
