On October 14, 2020, at approximately 9:40 AM San Francisco Police Officers responded to the San Francisco Zoo regarding a report of a burglary that occurred overnight. A Ring-tailed lemur male named “Maki” was removed from its habitat and is missing. Officers arrived on scene and discovered forced entry to the animal enclosure where the lemur was housed. Investigators have processed the scene for evidence and the burglary is under investigation. Maki is an endangered animal and requires specialized care, we are asking the public to help get him returned to the San Francisco Zoo.
