The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage □  
Lock the door from your garage leading inside your home
- “Block the cord” - garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family, and your home from burglary please click on the link below and watch our safety video.
