SFPD officers arrested four juveniles armed with firearms and linked them to five catalytic converter thefts. Police officers then identified each stolen catalytic converter and returned them to their respective owners.

On Wednesday, May 24, 2023, San Francisco Police Department plainclothes officers were conducting a catalytic converter abatement operation in neighborhoods on the western side of the city. While conducting the operation, at approximately 2:23 pm, SFPD officers from Ingleside Station were dispatched to the 1900 block of Alemany Boulevard on a report of a catalytic converter theft. Officers learned that a black 4-door sedan was possibly involved and seen fleeing the area. Officers broadcast the suspect vehicle description over their department radios. The vehicle was later determined to have been reported stolen.

At approximately 3:40 pm, officers spotted the suspect vehicle in the area of Fulton and Pierce Streets. Officers followed the vehicle throughout the city. Officers initiated a traffic stop on the vehicle in the area of Edinburgh Street and Persia Avenue. The suspects fled and the vehicle was located in the area of Cambridge Street and Stoneyford Avenue. Officers located the suspects soon thereafter on Alemany Boulevard near Interstate 280. Following a brief foot pursuit, four suspects were taken into custody.
