On August 25, 2023, at approximately 5:15 PM, San Francisco Police officers assigned to Tenderloin Station were conducting patrol in the area of Polk Street and Eddy Street when they observed a vehicle on the 600 block of Polk that was parked in violation of several California vehicle codes. Officers contacted the driver regarding the violations and developed probable cause to tow the vehicle. An unidentified passenger fled from the vehicle before the officers approached the vehicle.

While conducting an inventory search of the vehicle for the tow, officers located several bags of suspected stolen property inside of the vehicle. Through their investigation, officers discovered that the property had been stolen in a mass retail theft incident, where multiple subjects ran into a retail store and stole a large amount of merchandise, that had occurred earlier in the day in Pleasanton, CA. Officers determined that probable cause existed to arrest the driver of the vehicle who was identified as Angelleak Duncan, a 20-year-old female from Oakland, CA.

The total monetary amount of property recovered by SFPD officers during this incident is estimated at \$19,500.

Duncan was transported by officers to the San Francisco County Jail where she was booked for the following charges: receiving stolen property (496(a) PC), burglary tools (466 PC), misuse of vehicle registration (4462.5 CVC), driving without a license (12500(a) CVC), no proof of insurance (16028(a) CVC), parking more than 18" from curb (22502(a) CVC), right hand lane violation (21650(a) CVC), and proof of insurance (4454(a) CVC).

This remains an active and ongoing investigation. Anyone with information is asked to contact the SFPD at [1-415-575-4444](tel:1-415-575-4444) or text a tip to [TIP411](tel:TIP411) and begin the message with SFPD. You may remain anonymous.
