On February 14, 2024, at approximately 3:57 a.m., San Francisco Police Officers responded in the 300 block of Winding Way regarding a home invasion robbery.

Officers contacted victims who stated they were inside their residence when multiple unknown suspects forced entry into their home with firearms. The suspects ransacked the residence, stealing jewelry, a purse worth thousands of dollars, and a vehicle. The suspects then fled the scene in an unknown vehicle. One victim sustained non-life-threatening injuries as a result of the incident.

Through the course of the investigation, officers were able to discover evidence that led to the identification of 23-year-old Isaiah Banquerigo from Antioch, CA.

With the collaboration of other outside jurisdiction investigators, SFPD investigators determined Banquerigo was suspected of being involved in multiple robberies in other cities as well as the San Francisco home invasion on 2/14/2024.

On June 12th, 2024, investigators of the Strategic Investigation Unit developed probable cause to arrest Banquerigo. Due to the risk of possession of firearms, the SFPD tactical unit located Banquerigo and placed him under arrest in Colma, CA. Banquerigo was found with a loaded firearm in his possession.

Investigators identified an additional suspect involved in the home invasion of 02/14/2024. Officers developed probable cause to arrest 21-year-old Montana Jones for his involvement in the robbery.

In collaboration with the Oakland Police Department, Jones was located and arrested by OPD on 07/02/2024. With the assistance of the SFPD Community Violence Reduction Team (CVRT), Jones was transported to the San Francisco County Jail.

Jones and Banquerigo were booked into San Francisco County Jail for the following charges: 209 PC (Kidnapping) 211 PC (Robbery) 459 PC (Burglary) 245(a)(2) PC (Aggravated Assault) 215 PC (Car Jacking) 182 PC (Conspiracy).

A review of recent home invasion robberies has led investigators to believe these robberies are being committed by the same group of suspects. Investigators are looking into connections to past incidents based on similarities in suspect description, victim similarities, and modus operandi (M.O.). In addition, investigators are continuing to develop additional leads and gather evidence to identify the outstanding suspects responsible for the abovementioned incident and series of home invasion robberies that have occurred in San Francisco.
