San Francisco Police Department's Traffic Company will be conducting a driver's license and sobriety checkpoint this Saturday, July 5th, 2025, at an undisclosed location within the city limits between the hours of 7:00 P.M. and 3:00 A.M.

Checkpoint locations are chosen based on a history of DUI crashes and arrests. The primary purpose of checkpoints is not to make arrests, but to promote public safety by deterring drivers from driving impaired.

During the checkpoint, officers will look for signs that drivers are under the influence of alcohol and/or drugs.

The San Francisco Police Department is committed to keeping the traveling public safe during this holiday weekend.

The San Francisco Police Department reminds the public to celebrate the Fourth of July Holiday responsibly by planning ahead by designating a sober driver, using public transportation, ride share, or calling a cab.

The public should also be aware that impaired driving is not just from alcohol. Some prescription medications or over-the-counter drugs may interfere with driving. Always follow directions for use and read warning labels about driving or operating “heavy machinery,” which includes driving a car. While medicinal and recreational marijuana are legal, driving under the influence of marijuana is illegal.

If you plan on drinking or taking medications that may impact your ability to drive safely, plan on staying at home.

Drivers who are caught driving impaired can expect the impact of a DUI arrest to include jail time, fines, fees, DUI classes, and other expenses that can exceed \$10,000, not to mention the embarrassment when friends and family find out.

Funding for this saturation is provided to the San Francisco Police Department by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to ‘Report Drunk Drivers – Call 9-1-1.
