Ongoing focus on narcotics dealers

On July 9 and July 10, 2025, San Francisco Police Department officers assigned to the Drug Market Agency Coordination Center (DMACC), along with the Narcotics Unit, conducted narcotics enforcement operations. During the planned and coordinated operations, officers arrested eight adults for narcotics sales.

Officers observed this drug dealing in multiple areas suspected of drug trafficking and developed probable cause to arrest the suspects for felony charges. Some of these charges include sales of methamphetamine (11379(a) H&S) and possession of methamphetamine for sales (11378 H&S), possession of narcotics while armed (11370.1 H&S), carrying a loaded firearm in public (25850(a) PC), carrying a concealed firearm (25400(a)(2) PC), possession of large capacity magazine (3210 PC), and resisting arrest (148(a)(1) PC).

These operations resulted in the seizure of a loaded firearm and nearly a pound of suspected narcotics, which include methamphetamine, rock cocaine, heroin, LSD, and fentanyl.

The SFPD will continue to prioritize efforts to address the drug crisis in our city by removing dangerous and potentially fatal drugs off our streets and arresting suspects and holding individuals who sell illegal narcotics accountable.

Although arrests have been made, these investigations remain open and active. Anyone with information is asked to contact the SFPD at [1-415-575-4444](tel:1-415-575-4444) or *Text-A-Tip* to [TIP411](https://www.sfpd.org/tip411) and begin the message with SFPD.
