Suspects Allegedly Stole Nearly \$3 Million in Currency, Credit Cards and Jewelry

In November of 2017, the San Francisco Police Department's newly established Burglary Unit identified a pattern of residential burglaries occurring frequently in the Bayview, Ingleside and Taraval districts. Over the course of the investigation, members of the Burglary Unit determined that as many as sixty of the residential burglaries were being committed by serial burglary crews.

During the commission of the burglaries, the crews used multiple vehicles with paper license plates and attempted to disguise their identities. The suspects gained entry to the burglarized homes by forcing their way through locked gates and breaking front and rear doors of the residences. The burglaries occurred in occupied and unoccupied homes.

Burglary Unit investigators determined that eleven firearms, hundreds of pieces of jewelry, US and foreign currency, credit cards, passports, vehicle titles and vehicle keys were stolen, valued at nearly \$3,000,000.00.

Assisted by numerous local, regional, out-of-state, and federal agencies, SFPD was able to identify nearly thirty individuals responsible for or accomplices in the burglaries. As a result, the department authored and served several search and arrest warrants over the last ninety days in San Francisco, Oakland, Antioch, Brentwood and Las Vegas.

During the serving of these warrants, nine of eleven known stolen firearms were recovered. In the search warrant served in Brentwood last week, four more firearms were recovered, including two that were stolen in separate burglaries in Fremont, CA and Reno, NV.

Investigators also recovered multiple pieces of stolen property including jewelry, passports, US and foreign currency and eight vehicles used in the burglaries.

Of the thirty individuals identified in the investigation, ten have been apprehended along with two additional individuals arrested during the search warrant served in Brentwood. SFPD continues to investigate the remaining individuals for their involvement in the burglaries.

“With these arrests, there has been a marked decrease in burglaries in the Bayview, Ingleside and Taraval districts,” said San Francisco Police Chief William Scott. “Our establishment of a General Crimes Unit to focus on serial residential and commercial burglaries, auto break-ins, bicycle thefts and other neighborhood property crimes is bearing results. We will continue to pursue crime prevention and investigation strategies that will increase safety for all and help bring justice for victims of serial criminals.”
