In August 2025, members assigned to the San Francisco Honda Unit began investigating 49-year-old Haleem Williams for selling suspected MDMA/Ecstasy. The investigation began after Park Rangers informed officers that Williams was selling narcotics during a musical festival in Golden Gate Park.

On Dec. 4 and Dec.12, members of the Honda Unit conducted two buy-bust operations in which Williams sold suspected narcotics.

On Dec. 18, officers arranged another narcotics transaction in which Williams was observed selling \$1,500 worth of suspected MDMA pills. Officers immediately arrested Williams without incident near the area of Mint Street and Mission Street.

During the arrest, officers located and seized a backpack containing suspected narcotics and items used for the sale of narcotics. Officers also located car keys on Williams's person. Officers searched Williams's vehicle for additional narcotics, and during the search, officers located and seized a loaded ghost gun.

Officers seized 193.5 grams of suspected MDMA pills.

*"The SFPD will not tolerate anyone who sells drugs in our city," said **SFPD Police Chief Derrick Lew**. "I want to thank our Honda Unit for their diligent efforts in holding criminals accountable and preventing more drugs from flowing into San Francisco to harm our communities."*

Williams was booked into San Francisco County Jail for multiple drug and firearm-related charges, including selling, transporting, or administer of narcotics (11379 (a) PC), carrying a loaded firearm (25850(a) PC), and felon in possession of a firearm (29800(a) PC).

Although an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD at [1-415-575-4444](tel:1-415-575-4444) or *Text-A-Tip* to [TIP411](https://www.sfpd.org/tip411) and begin the message with SFPD.
