Over \$8K in Stolen Property Recovered

The San Francisco Police Department (SFPD) Organized Retail Crime (ORC) Task Force is continuing its rigorous efforts to apprehend prolific retail theft suspects. ORC Task Force investigators are maintaining robust partnerships with local retailers to effectively investigate these cases.

The SFPD ORC Task Force continues to work closely with the ORC Vertical Prosecutor within the San Francisco District Attorney's Office to ensure that suspects are held accountable.

Below are summaries of recent arrests and investigations:

Boosters and Fencers

Four enforcement operations were conducted in May and June of 2026 on the 700-block of Mission St. ORC Task Force investigators, Mission Corridor Enforcement Team officers, and RTIC drone operators worked with retail partners to focus on "boosters" (retail theft suspects) who were stealing items for resale to "fencers" (middlemen who purchase stolen merchandise to resell for profit).

During these operations, 29 suspects were arrested either as boosters or fences. Investigators will be working with the San Francisco City Attorney's Office regarding businesses suspected of facilitating fencing activity.
