In July 2017 the SFPD Internet Crimes Against Children (ICAC) Unit began an investigation into an individual who was uploading and trading graphic child pornography through the internet.

On August 3, 2017, SFPD investigators executed a search warrant at a residence in San Francisco on the 1300 block of Turk Street. During the search warrant investigators located numerous media devices belonging to one of the residents, Anton Orobchenko, a 32 year-old San Francisco resident. Investigators found thousands of child pornography videos and images on Orobchenko's media devices.

Orobchenko was arrested and charged for possession of child pornography, possession of over 600 files of child pornography, possession of child pornography involving sado-masochism, and two counts of distribution of child pornography.

If you feel you may have been a victim or have had any suspicious contact with Anton Orobchenko please contact the Special Victims Unit (415) 558-5500.
