On October 29, 2026, at approximately 1:06 a.m., with the assistance of an Automated License Plate Reader (ALPR), officers in SFPD's Real Time Investigations Center (RTIC) identified a suspected stolen vehicle entering San Francisco from the Bay Bridge.

RTIC immediately notified Southern Station officers and deployed a Drone as First Responder to follow the suspect vehicle.

The suspect vehicle fled from SFPD officers through city streets before going back onto the Bay Bridge. The driver fled through Oakland and Alameda and into San Leandro, where the vehicle crashed into a guardrail.

SFPD officers, with assistance from California Highway Patrol’s air support, arrested the following four suspects after a brief foot pursuit:

- Tyshun Lane, 19-year-old of San Francisco
- Reiyon Jackson, 18-year-old of San Francisco
- Isiah Burns, 22-year-old of San Francisco
- A juvenile suspect

The suspects were arrested for numerous charges including possession of an assault weapon, possession of a loaded firearm, possession of a high-capacity magazine, possession of an AR-15-style assault weapon, and felony evasion.

The San Francisco Police Department would like to thank the CHP for their assistance in this case.

San Francisco Police officers will stop at nothing to arrest violent criminals on our streets. Because of officers’ swift response and diligent coordination, these dangerous suspects and firearms were taken off our streets to prevent further harm to the community.

All information is preliminary in this open and active investigation. Anyone with information is asked to contact SFPD at 1-415-575-4444. You may remain anonymous.
