As part of our commitment towards transparency with our community, a town hall meeting was held on Thursday, June 1, 2017 at 6:00 PM to provide an update on the investigation of the officer involved shooting that occurred on the 2100 block of Quesada Avenue on Sunday, May 21st.

In the incident, uniformed SFPD officers responded to a reported home invasion. As officers were preparing to search the home, the suspects emerged from a rear door. At least one suspect fired at the officers. One officer returned fire and the suspects fled the scene on foot. There were no injuries reported as a result of the exchange of gunfire.

This town hall meeting was held at the Bayview Opera House, located at 4705 Third Street.

Three video clips were played. Those clips included body worn camera (BWC) footage from Officer 1 who discharged his firearm; and BWC footage from Officer 2, and Officer 3 who were on the scene.
