Earlier this year, San Francisco Administrative Code Chapter 96A, Law Enforcement Reporting Requirements, was enacted. This legislation required the Police Department to report data regarding detentions and traffic stops, as well as provide information gathered during use of force incidents and arrests.

The first comprehensive report that will include all requirements of Chapter 96A is not required until June 2017; however, beginning in June 2016, under Sec. 96A.3, quarterly reports on the following information was required to be submitted to the Mayor, the Board of Supervisors, the Police Commission and the Human Rights Commission:

and sex;

(c) For arrests:

The first quarterly report (January, February, March 2016) was released on July 26. The second quarterly report (April, May, June 2016) is now available for viewing on our website: <http://sanfranciscopolice.org/reform>

We look forward to continuing to provide these reports in the interest of transparency and furthering discussion about the use of force.
