As Chief Suhr has previously stated, the December 2nd, 2015 officer involved shooting of Mario Woods has, for many residents, shaken their trust in their city's police department. It is difficult for anyone to watch videos of the shooting. Similarly, it is equally as difficult to read the Medical Examiner's report. That said, newly released information in the autopsy report appears to corroborate facts gathered by investigators in the aftermath of this tragic incident. The department is committed to a thorough review of the shooting and this report will be an important component of all three ongoing independent investigations.
