## **Captain's Message**

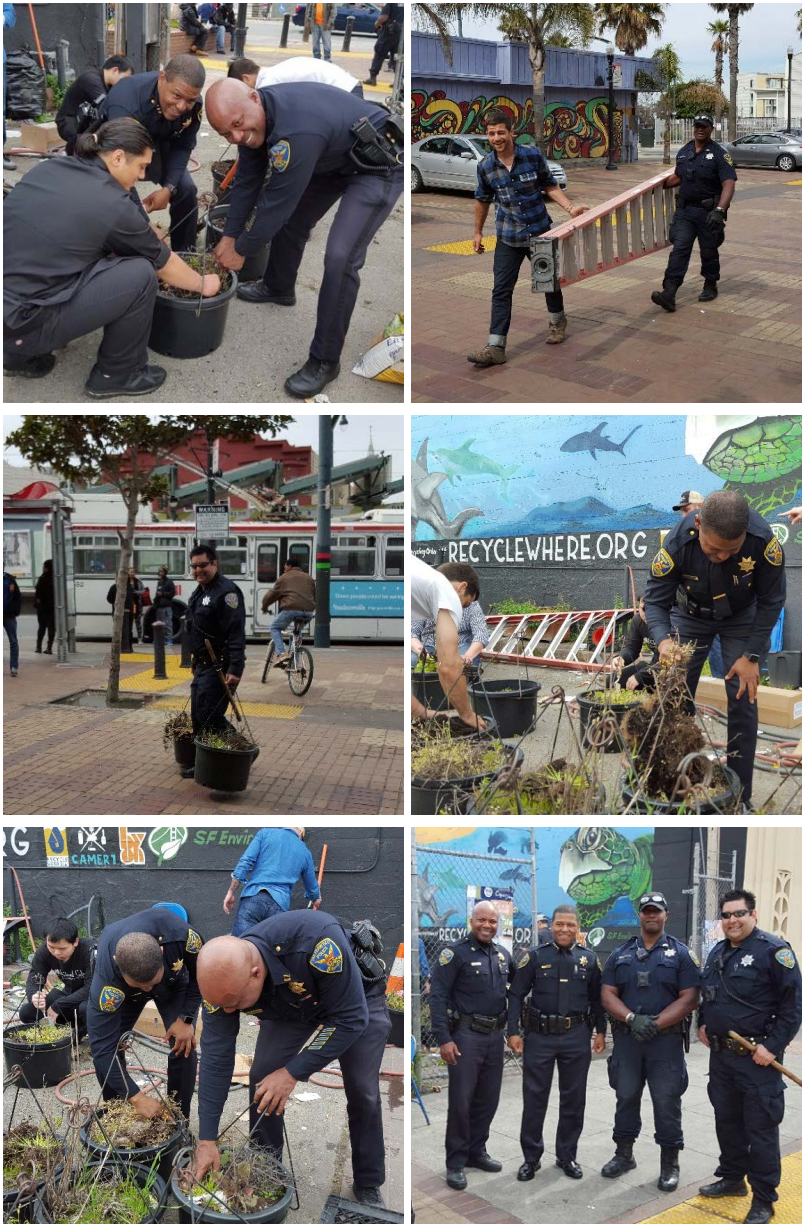

On Monday, March 19th, [Old Skool Café](#) and [Project Wreckless](#) teamed up for a beautification and clean up project up of Mendell Plaza and the Oakdale Garden. Chief Scott was there to lend a hand along with me and a few of my officers who all rolled up their sleeves!

[Old Skool Cafe](#) is a faith-based, violence prevention program, providing marketable employment skills in the restaurant industry to at-risk youth ages 16-22.

[Project Wreckless](#) targets "at risk" youth in our community for their capacity development program and immersive curriculum centered around the restoration of some amazing old cars.

I want to thank both of these outstanding community partnership organizations, and their members, for their dedication to the Bayview community and unwavering commitment to our youth. Visit their websites to learn more about the important role they play in building meaningful community relationships and problem solving.

*"Stay safe, happy, and healthy"*

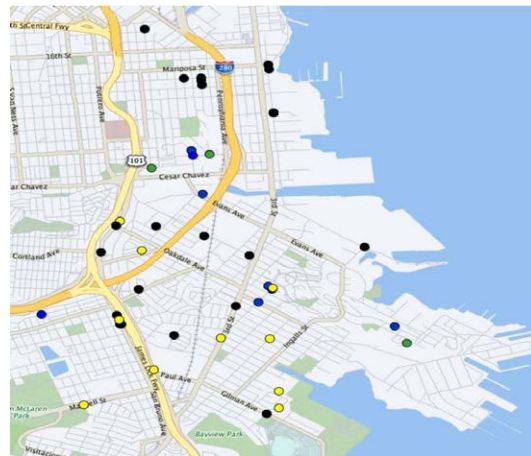

Sincerely,

Captain Steven A. Ford, M.S.

#### **Auto Burglaries in San Francisco Drop 31% Between January and February 2018** *SFPD Report Shows Double-Digit Decreases in All 10 Police Districts*

Data from the San Francisco Police Department's newly released February, 2018 CompStat Profile indicates significant progress in police efforts to curb vehicle burglaries in the city. The report shows that:

- Thefts from vehicles citywide decreased 31 percent in February, compared to January, 2018
- The city's ten police districts saw a decrease in auto burglaries ranging from 11 to 44 percent
- Year-to-date thefts from vehicles are down 15 percent

"The increased visibility of our officers and our efforts to educate the public through our Park Smart program are paying off," said San Francisco Police Chief William Scott. "While these numbers are encouraging, these crimes continue to impact too many residents and visitors to our city. There is still much work ahead. We will continue to use data to evaluate and adjust our strategies in order to effectively prevent and investigate auto burglaries."

San Francisco last year saw a 24 percent increase in thefts from vehicles compared to 2016. In response, the San Francisco Police Department doubled its citywide uniformed foot patrols to deter street crime and focus on neighborhood quality of life issues. Last November, the department created a General Crimes Unit to address serial residential and commercial burglaries, auto break-ins, bicycle thefts and other neighborhood property crimes. In January, 2018, SFPD command staff assigned district station officers to work directly with community members on crime trends, education and prevention strategies. Last year, San Francisco police officers booked or cited 790 people for thefts from vehicles.

The February 2018 CompStat report is posted on the department's website at [sanfranciscopolice.org/compstatreports](https://www.sanfranciscopolice.org/compstatreports).

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. will help US serve YOU better!

**The SFPD wants to hear from YOU, our key stakeholders.**

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

(If this is an emergency, please call 911. For non-emergencies, call 415-553-0123. You may also visit [sanfranciscopolice.org/police-commendation-complaint](http://sanfranciscopolice.org/police-commendation-complaint) for more information on providing input on SFPD policies and practices.)
