Officer Talent Tang

Meet Officer Talent Tang. A four year veteran of the SFPD, Talent began walking the beat on the San Bruno corridor at the beginning of this year. Officer Tang has proved a great fit for the neighborhood and has come to know the majority of the merchants and a lot of the residents who frequent the strip daily. He has become familiar with the specific concerns of the area and is happy to help anyone in need of suggestions for personal safety or tips and a plan for businesses. Officer Tang is fluent in Cantonese which often comes in handy during the course of his regular assignment as well as all of the neighborhood community meetings

Citizen of the Month
May 2018

Mr. Anh Tram

Anh Tram was nominated as citizen of the month by our very own Officer Tang who got to know him quite well from walking the beat on San Bruno Avenue. Mr. Tram immigrated from Vietnam 15 years ago and made San Francisco his home. He realized his dream of owning a restaurant four years ago when he opened the doors of "[Golden Sai Gon](#)" on the 2400 block of San Bruno Ave. Since establishing himself as a business owner in the Portola neighborhood, the very sociable Ahn has made it a priority to get to know and interact with everyone on the corridor. Mr. Tram and merchants like him are

he attends. We feel that Officer Tang has proved a valuable addition to the foot beat patrol assigned to the bustling shopping hub of the Portola neighborhood and the community agrees! Get to know Officer Tang if you see him out and about. Feel free to say hello and chat him up (he likes sharing work-out tips).

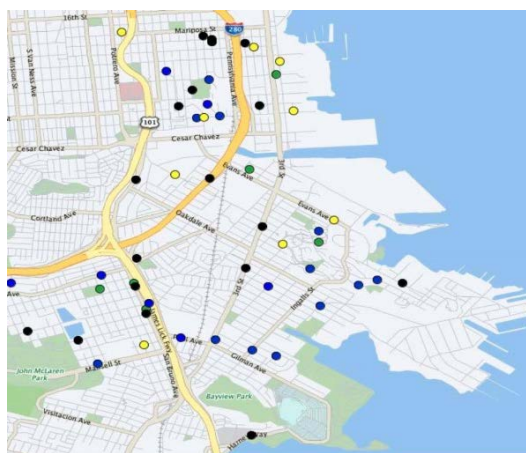

instrumental in fortifying the cohesiveness of a close knit community, as seen on the San Bruno corridor, where residents and business owners alike look out for each other. This month, we acknowledge the asset we have in Mr. Anh Tram and extend our gratitude.

[SFPD Arrest Alamo Square Auto Burglary Suspects in the Bayview and Ingleside Districts on New Burglary Charges](#)

Monday, April 30, 2018

On the afternoon of April 25th, 2018 San Francisco police officers served three search warrants in connection with a series of auto burglaries. These search warrants, served in the Bayview and Ingleside Districts, stemmed from the investigation of auto burglaries on the 1800 block of Post Street on January 13th, the 300 block of Clement Street on April 10th and at Beach and Mason Streets on April 17th. Victims of these burglaries reported the loss of items including wallets, cell phones and a laptop computer.

Samuel Minor, an 18 year-old male, San Francisco resident was arrested at approximately 5:30 PM during the service of a search warrant on the 300 block of Madison Street. Minor, the getaway driver in the three above incidents was booked into San Francisco County Jail on three counts of burglary, three counts of possession of stolen property and three counts of conspiracy.

Adrian Landers, a 24 year-old male, San Francisco resident was taken into custody at 5:35 PM on the 700 block of Kirkwood Avenue. He was booked into San Francisco County Jail on two counts of burglary, two counts of possession of stolen property, two counts of conspiracy, a parole violation and for committing a crime while out on bail.

Landers is on parole for a prior robbery offense and was one of the suspects arrested during the commission of an auto burglary at Alamo Square Park on February 1, 2018. In that incident, the driver of the suspect vehicle placed his car in reverse and ran over both a plainclothes SFPD officer and one of the criminal co-conspirators of that crime. The officer sustained serious injuries and remains off duty while recovering.

These arrests were the result of collaboration between the Northern Station Street Crimes Unit, the Bayview Station Plainclothes Team, the Central Station Plainclothes Team and the Department's Gang Task Force and is representative of the hard work being done by members of the San Francisco Police Department on a daily basis. In addition to taking two prolific burglars off the street, these officers recovered stolen property, seized evidence related to the initial crimes and impounded the vehicle, a silver Infinity SUV used to commit those crimes.

Booking photos accompany this news release.

services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities becomes inoperative, the **311** call center will function as a back up.
