## Captain Paul Yep's Message

### Reporting Homeless Issues

If you are concerned about a homeless person in San Francisco, call the Department of Emergency Management (DEM) at 3-1-1 or email [healthystreets@sfgov.org](mailto:healthystreets@sfgov.org).

The 3-1-1 staff will talk with you to determine the appropriate City Agency or combination of Agencies to respond for services. DEM houses a "Healthy Streets Operations Center" (HSOC) staffed with representatives from the Police Department, Department of Public Works (DPW), Department of Health (DPH), and the Department of Homelessness and Supportive Housing (DHS). The HSOC is operational Monday through Friday from 7:00 am to 4:00 pm

If you are concerned for a person who appears to be in distress and needs immediate attention you can call the SFPD non-emergency number 415-553-0123 or in an emergency 9-1-1.

Central Station has recently dedicated six of our police officers to assess and assist with the homeless situation in our District alone!

Our new strategy: One officer meets with a team from the Department of Public Work several days a week at 5:00 am and they navigate through the Central District for homeless outreach and clean-up. Another two officers meet with our local DPW representative daily at 7:00 am and they coordinate to make an additional path through the Central District with the same goal to provide services for our homeless population.
