## Captain Jack Hart's Message

Wed, January 24, 2018

"It has always been my firm belief that policing is one of the noblest professions. The actions of any police officer—in an instant—can impact an individual for life, and even a community for generations. Given this realization, every police officer must be centered on what's important. Service, justice, fundamental fairness—these are the foundational principles in which every police action must be grounded." —Dr. Stephen R. Covey

What Dr. Covey reminds us with these words—that are as true today as they were 20 years ago—is that every interaction we have with members of the public must be grounded in high moral principles, beliefs, and ideals which serve a cause greater than self. I am proud to have taught the last 53 SFPD recruit classes, countless in-service trainings, and many Blue Courage courses to thousands of police officers around the country. In every opportunity I get, I share this quote and its challenge for us at Ingleside Station to be great because the stakes are that high. You count on us working hard every day to be more ready than we were yesterday to embody these ideals in service of keeping you, your families, and your property safe. In 2018, may you never need to call a police officer. If you do, I hope that you find us living up to these ideals and proving that we are, indeed, San Francisco's finest.

Captain Jack Hart  
Commanding Officer

## Featured Officer of the Month

### Officer Francisco Morrow & Officer Darwin Naval

From Academy classmates to School Resource Officers (SRO's), an SFPD partnership was formed between Officer Darwin Naval and Officer Francisco Morrow ten years ago. They knew this partnership would last, as they are both great listeners. Officer Naval would have to endure Officer Morrow's long tales of living in Wisconsin as a kid and chasing wildland fires as a firefighter in Southern California. Officer Naval, in turn, would regale Francisco with stories of patrolling the Stonestown Galleria with his "mountie" hat in his former life as mall security.

Throughout the month of December, I personally witnessed Officers Morrow and Naval deeply engage their community of students, staff, and parents. Whether it was forging a new partnership with Visitacion Valley Middle School to enable police officers to help students with their reading skills to managing a safe campus and safe school dismissal after an unrelated shooting that occurred near a school, December was a busy month for them. Yet, their resolve—forged through their relationships—withstood the challenges.

They, as well as Ofc. Marie-France Conciecao (a fellow SRO who was in Europe during December), have accomplished these noteworthy heights through their relentless determination to solve community problems and by forging deep interpersonal connections grounded in the principles of respect, empathy, and trust. They are seen as tremendous role models both within the school district and in the police community. In 2018, they will continue to build on these relationships while tackling emerging issues such as cyber bullying, social media use, and campus security.

## Featured Citizen of the Month

### Roberto Pena

On 11/21/2017 at approximately 1418 hours, a 16-year-old named J. Calix was playing a pickup game of soccer at Crocker Amazon Playground with some friends. During play, the ball was kicked in the direction of a male, later identified as Eliezer Hechevarria, who was walking across the field. Calix went to pick up the soccer ball from the area of Hechevarria and suddenly, without warning or provocation, Hechevarria used a pair of surgical scissors to slash Calix in the upper arm twice. Hechevarria turned and fled across the field and onto Geneva Avenue. Mr. Roberto Pena observed the entire incident from approximately 50-60 yards away. He confirmed that Calix was stabbed, called 911, and then followed the suspect both on foot and in a vehicle continually updating dispatch on the suspect's location. When the suspect began to walk through the children's playground area of Crocker Amazon, he feared for the safety of the dozens of children that were playing there and who were unaware of what this violent felon just did. Without regard for his own safety, he exited the vehicle that he was safely inside of, grabbed a tree branch to defend himself and others in case Hechevarria attacked again, and chased after the subject ensuring that he left the playground onto Moscow Street. When officers arrived, he immediately identified Hechevarria as the stabbing suspect. This quick identification allowed officers to search the immediate area where Hechevarria was apprehended and locate the weapon, which was a pair of surgical-type scissors.

## Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

## Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

The following are some examples of Suspicious Activity that are “In progress” crimes, which demand an immediate call to 9-1-1:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or

#### **6:42pm      600 Blk. Monterey      Vehicle Burglary**

The San Francisco Police Department has dedicated significant resources to help quell the rash of vehicle burglaries plaguing all neighborhoods of the City. In the Ingleside District several plainclothes and uniformed officers have been assigned to this task. On this evening, Ingleside Officers Barajas, Seavey, Lee, and Jensen were observing the two parking lots at the Monterey Avenue Safeway. Several vehicle thefts have taken place in the lots. On this night the officers observed an older BMW, occupied by three men and three women enter the upper parking lot. Two of the male occupants exited the car and started peering in the windows of many of parked cars. The officers watched as one the suspects took out a punch and broke the window of a parked Hyundai SUV. The suspect grabbed a bag from inside and then ran back to the waiting BMW. The officers quickly blocked the street exit to the parking lot and stopped the vehicle from escaping. The six suspects were removed from the vehicle and inside they found a punch used to break into cars plus a bag of clothing removed from the Hyundai. The Hyundai's owner positively identified the items that were stolen from his SUV. A search of the BMW's glove box revealed several passports stolen from previous vehicle burglaries. Two of the male suspects were taken to the county jail and booked for vehicle burglary. One male suspect was taken to the Juvenile Justice Center and booked for the same crime. The three juvenile female passengers in the car were released to their parents or guardians. Report number: 180055581

The victim told the officers he was called home by his daughter who reported three men were using their home's front steps for skateboard tricks. One of the suspects was filming the activity. The father arrived and told the three men they were trespassing and to leave. Two of them did, but one snuck up behind the victim and sucker punched in the face causing him to lose his balance and almost fall down. The three men then ran away. Suguitan and Park summoned an ambulance who treated the victim at the scene. After taking the report, the officers went back on patrol and soon found the suspect in the attack skating westbound on Avalon near Edinburgh. The officers stopped the suspect and he was cited for battery and released at the scene. Report number: 180052468

A computer check revealed the suspect had several convictions for theft and was on probation. He also had a quantity of cocaine in one of his pockets. He was taken to Ingleside Station and booked for vehicle theft and narcotics. Parked behind the Range Rover was a late model Audi with license plates that did not belong to the vehicle. A computer check revealed it was also stolen. A woman inside was wanted for a narcotics violation with a warrant from San Bruno PD. The suspect stumbled out of the vehicle and could barely walk. The officers summoned medical assistance and an ambulance arrived to take the suspect to San Francisco General Hospital. He was too drunk for a field sobriety test. At the hospital the suspect told the officers that he had drunk wine and beer before the collision. He also had a suspended license. A judge authorized a blood draw for alcohol intoxication which was performed at the hospital. After treatment at SFGH, he was taken to the County Jail and booked for DUI and other crimes. There was an open container of Beer near the front seat. The suspect told the officers that he collided earlier with a gold Honda Accord while driving in traffic on the 900 block of Geneva. Instead of stopping and exchanging information with that driver, the suspect took off only to collide with another car at Paris and Italy. ## NEWS RELEASE

January 3, 2018  
18-001

### **Traffic Safety Enforcement Operations Plan for San Francisco with OTS Grant**

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on January 4th, 8th, 10th and 30th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

## Auxiliary Law Enforcement Response Team (ALERT)

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

## What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer citizen disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in essential tasks after a major disaster, and in other identified non-disaster activities. Such tasks may include: traffic control, foot patrols of business and residential areas, reporting criminal activity etc. Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco.

The ALERT program is modeled after, and works in partnership with, the San Francisco Fire Department Neighborhood Emergency Response Team (NERT) program.

### Three Ways To Become An ALERT volunteer:

After clearing a basic background check you will be eligible to register for one of our triannual ALERT training classes as follows:

1. Complete two 8 hour classes with ALERT, or,
2. If you are already NERT Certified, complete one 8 hour class with ALERT, or,
3. If you are an SFPD Community Police Academy graduate, complete one 8 hour class with ALERT.
