Captain Jack Hart's Message

Fri, February 9, 2018

“It’s 3AM. I am on patrol, alone in a police car. My only company is the endless chatter on the radio. The streets are quiet and the houses I pass are dark. It is in moments like this that I realize what policing is truly about. The community sleeps in the quiet and comfort and safety of their homes because I am out here. I am awake, vigilant, ready, and prepared to protect and serve. The city sleeps and reenergizes itself for a new day while I work to keep it safe. As the dawn approaches, the houses begin to light up, and the city awakes and prepares for a new day. While the city works, I will sleep, renew, and prepare to guard it once again.” –Michael Nila from *The Nobility of Policing: Guardians of Democracy*.

This month’s ‘Officers of the Month’ are the embodiment of the above passage and reminder to all of us how fortunate we all are to have such dedicated officers that work the midnight shift here at Ingleside Station. **See page #2 to read their story.**

Featured Officer of the Month

Ofc. George & Ofc. Demkowski

Ofc. Demkowski and Ofc. George are extremely dedicated, passionate, and hard-working on the midnight watch at Ingleside Station. In addition to performing consistently well over a period of time, here are just a couple of examples why these officers are to be commended as Officers of the Month:

Ofc. Demkowski was assigned to solo patrol on the midnight watch at Ingleside Police Station. On 01/23/2018, she saw a suspicious vehicle operating in the area of Glen Park at 3:30 in the morning. After identifying probable cause to stop the vehicle, she determined that the occupants were on parole. With the assistance of additional officers, the vehicle was searched and a fully-loaded Glock firearm with a 30-round extended magazine were located and seized. It is hard to measure how many violent crimes were prevented by this stop, search, and seizure, but this result is very hopeful and rewarding.

Ofc. George was assigned as a solo patrol officer on the midnight watch at Ingleside Police Station and was assigned to the Glen Park area. Recognizing that there had been an increase in burglaries in both the Glen Park, Diamond Heights, and outer Noe Valley areas, Ofc. George was actively patrolling back and forth between these neighborhoods. On 01/16/2018 at 0448 hours, a report of a burglary was called in around the area of the 300-block of Valley Street. Ofc. George, already in the neighborhood on active patrol, heard the description and simultaneously saw the suspect in the area of 29th Street and Day Street. After a foot pursuit, the suspect—already wanted on a “no-bail” felony burglary warrant—fought with the police and ultimately was taken into custody.

These officers’ actions are just a small sample of heroic work done by midnight shift officers who keep us safe while our neighbors, families, and children sleep soundly in our beds. It is for these small and unseen—but heroic—acts, that they are our Officers of the Month.

May also had a deep love and devotion for Lionism. In April 2011, she joined the Geneva-Excelsior Lions of District 4-C4. She has held the position of Club President, District 4-C4 Zone Chairperson for two years and most recently she held the position of District Secretary until her passing this past November.

May was a fun loving and very cheerful person. She had a heart of gold and the most generous soul anyone could ever have. She was tenacious and energetic. Her loving spirit will live on forever.

San Francisco Police Arrest Attempted Homicide/Auto Burglary Suspects from Alamo Square Incident

On February 1, 2018, San Francisco Police officers from Northern Station's Street Crimes Unit were assigned to an auto burglary operation around Alamo Square Park in an on-going effort to combat auto burglaries. At approximately 11:51 AM, a known auto burglary vehicle, described as a black four door Infiniti with paper plates and tinted windows, was seen in the area of Hayes and Pierce Streets.

A plainclothes officer saw that the suspect vehicle had three occupants as it pulled up to a parked victim vehicle, a black Toyota SUV. Officers then observed two subjects exit the suspect vehicle, peer inside, and subsequently smash the rear window to take items inside.

Officers identified themselves and moved in to make arrests. One suspect fled into the waiting vehicle with the stolen property. Officers attempted to take the remaining suspect (who was standing near the rear of the suspect vehicle) into custody, while also ordering the driver suspect to stop the car. As an officer was taking the remaining suspect into custody, the driver suspect put the vehicle into reverse and accelerated backwards, running over the accomplice and the officer.

The officers continued to give the driver verbal commands to stop. The driver ignored those commands, put the vehicle in drive, and drove forward, running over his accomplice and the officer a second time.

Jamon Butler, male, 19 years old, San Francisco resident, booked on felony charges of attempted homicide, assault with a deadly weapon, assault upon a peace officer with firearm, second degree burglary, reckless evading, hit and run causing injury and conspiracy.

"This incident is stark reminder of the dangers faced by SFPD officers on a daily basis. What began as a property crime turned quickly into a violent assault that could have had deadly consequences to our officers. The driver's actions also endangered the lives of the accomplice and the public at large," said Deputy Chief Michael Redmond. "The surveillance video accompanying this news release is an example of how unpredictable property crime suspects can be. Officers across the City are working to address property crimes that often occur very quickly and have a negative impact the quality of life of our residents and visitors."

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD 24 Hour Tip Line at (415) 575-4444 or Text a Tip to TIP411. You may remain anonymous.
