Hello all,

As you all know this week is Pride week. There are many events happening throughout the city in honor of Pride. The week will end with the big parade down Market Street on Sunday 06/24th. Please review the newsletter for additional information regarding the event. Please know that SFPD will as always do everything we can to keep all attendees and residents safe during this week.

I want to review with everyone how you can best avoid being a victim of a burglary. Please ensure that you are taking basic security measures i.e. locking and securing all doors and windows. Be mindful of this security even when at home do not leave a window or door open that is easily accessible from the ground floor. Always remember to keep your garage doors closed and secured. Do not leave a hide-a key. Suspects are very in tune with where people leave spare keys. Do not leave your garage door opener in your car or at least keep it out of view. Please think about installing a security camera and motion activated lights. Of course a big deterrent of burglaries is having a dog but I know not all of us can be lucky enough to have our furry friends on guard each day and night. Finally please immediately call 911 if you think you see a crime in progress or a suspicious person in your neighborhood. District residents have been doing a great job of calling 911 when they see suspicious activity or what they believe to be a crime in progress. These calls have led to numerous arrests. Our officers responded quickly and were able to take suspects into custody.

Please take the time to review the SF SAFE form on the next page (page 13) and my tip on page 12 for helpful residential safety tips. Your safety is paramount to us here at Park Station and with your help we can prevent many crimes and solve more.

Happy Pride to all and please everyone be safe and take good care.

Captain Una Bailey

OFFICERS OF THE MONTH OF JUNE 2018

**In the above photo (left to right),
Officer Quock, Officer Abaunza, and
Lieutenant Caturay.**

Park Station's Officers of the Month of May are Officer Alvaro Abaunza #4239 and Officer Ronald Quock #2339!!! Officer Abaunza and Officer Quock were classmates in the SFPD Academy Recruit Class #235, and shortly after arriving to their permanent assignment, Park Police Station, these two teamed up on day watch as the Haight Street Foot Beat. Officer Abaunza and Officer Quock have done an amazing job patrolling Haight Street, and cleaning up Haight Street.

Officer Abaunza has been employed with SFPD for 5 years, and has been at Park Station for 3 years. Officer Abaunza completed his Field Training at Mission Station, assigned to Central Station for his probation period, and was transferred to Park Station for his permanent assignment. Prior to working for SFPD, Officer Abaunza worked for San Francisco Department of Parking and Traffic (SFDPT). In his spare time, Officer Abaunza enjoys traveling extensively and running outdoors.

Officer Quock was born and raised in San Francisco, where he graduated from S.F.S.U. with two major degrees in Business Administrative, History, and a minor in Finance. Before joining SFPD, Officer Quock served in the U.S. Army, and is an active Captain in the U.S. Army.

Officer Quock has been employed with SFPD for 5 years, and has been at Park Station for 3 years. Officer Quock completed his Field Training at Southern Station, assigned to Bayview Station for his probation period, and was transferred to Park Station for his permanent assignment. When off duty, Officer Quock enjoys spending time with his wife, and children going on family trips.

CITIZENS OF THE MONTH

On May 7th, 2018, Animal Care and Control was notified regarding a “little white dog” that was running in and out of traffic along the busy vehicular thoroughfares along the Panhandle, Stanyan Street, and Kezar Drive. For over 90 minutes, this tiny, terrified dog was running frantically on bustling city streets, somehow avoiding calamitous injury and evading capture.

Lucky for this frightened creature, a very smart young woman named **Connie** who is an intern at Recreation and Park Department saw the little dog running in front of a bus on Kezar Drive. As soon as the dog made it out of the street, **Connie** tried to lure it to a grassy area. Nearby, another young woman named **Paige**, who is a Psychology student from UCSF, was seated on the lawn and saw the little dog with no collar and she immediately joined **Connie** to help catch the dog, who was cowering behind a bench, shivering and terrified.

A nearby Park Station Officer saw the women chasing the dog and intervened to assist in their efforts to help corral the dog who was clearly in great distress. **Connie** lured the dog out of hiding by sharing her own lunch, and the ravenous pup eagerly consumed every morsel while **Paige** stood by attempting to build trust with the petrified creature. They obtained some twine and together were able to slowly coax the tiny fugitive into a makeshift lasso....

CITIZENS OF THE MONTH (CONTINUED)

This poor dog was extremely malnourished, with protruding ribcage, and his coat was covered in dirt. Once he was at ease, he was absolutely the sweetest creature and lapped up affection and cuddles.

Park Station is grateful to **Connie and Paige** for their thoughtful commitment to saving this little dog, who could have easily been harmed or killed in the onslaught of oncoming traffic. We deeply appreciate their compassion, kindness, and ingenuity —as it represents the best qualities of people in our community, who are looking out to help those in distress...across all species. Currently this 5 year old male Terrier is receiving care from Animal Care and Control located in San Francisco (415) 554-6364.

Connie and Paige...with the dog they saved from peril...

41TH ANNIVERSARY OF THE HAIGHT — ASHBURY STREET FAIR

Sunday, June 10, 2018, was a beautiful and sunny day for the Haight–Ashbury Street Fair. The Haight Street Corridor, between Stanyan Street and Masonic Avenue, had an array of tents for over 200 outdoor vendors, selling food, playing music, displaying art, merchandise, clothing, crafts, and promoting businesses. Throughout the day, Haight Street held approximately 80,000 people that arrived in full force to celebrate the 41th Anniversary of the Haight-Ashbury Street Fair. The historical impact of these yearly events have sculpted the culture and diversity of our surrounding community.

Park Police Station’s booth featured the official “Park Station” t-shirt, which we made available to the public as a fundraiser for the Park Station’s Floral Fund. Officer Prillinger has served many years as the Haight Street Beat Officer, but she also has a background as an artist. She designed this t-shirt to capture the spirit of the district. Officer Prillinger is an amazing artist and extremely creative, but she is also very generous with her time, energy, and artistic abilities.

CAPTAIN BAILEY'S TIP OF THE WEEK TO PREVENT OR SOLVE CRIME

I want to take this time to remind everyone to record the serial numbers of all your valuables i.e. bikes, tools etc. You can do this by simply taking a photo of the item and then zoom in to take a photo of the serial number. Most people have smart phones and you can easily use your phone camera to achieve this. This is really great information for you to have in the event you are a victim of a theft. We can post the photos on flyers and record the serial numbers of your possessions so that in the event we make an arrest of an individual with stolen items your items will be easily recognizable. Officers can also identify them easily if they are being sold at any location. Bottom line having this information increases your chances of being reunited with your stolen items. It also increases the chances of these thieves being held accountable for their crimes.

Please take the time, and review the SF SAFE form on the next page (page 3) for helpful residential safety tips.

Please everyone take good care and be safe.

Captain Una Bailey

LOCATION OF SERIAL NUMBER ON AFFECTED BICYCLES

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.

- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

Keep property in good repair. Maintain visibility to your neighbors for increased safety.

WHO AND WHEN TO CALL?

3-1-1: Please contact 3-1-1 when the issue is a not an emergency, yet requires City services or, if you simply have questions regarding City services. Non-emergency situations include the following examples: damage to public property, public trees that requires pruning, defective streets or sidewalks, homeless-related issues. 3-1-1 was developed to help the community inform the appropriate City agency regarding a service request.

Non- Emergency San Francisco Dispatch Line: Please call the non- emergency dispatch line **(415-553-0123)** when the scenario does not need immediate response from the San Francisco Police Department. For example, if there is a loud party, a group of loud juveniles loitering in front of your residence, noise complaints, doubled parked vehicles, suspicious activities, or a homeless/nuisance related issue. **The non-emergency line is for situations that require the police, but do not require an immediate police response.**

9-1-1, please call 9-1-1 immediately if there is a police, fire, medical, or any other emergency. The purpose of San Francisco's 9-1-1 Emergency Telephone System is to provide the community an immediate response of police, fire, or medical personnel for emergency occurrences. To accomplish this, it is imperative that the calls received on the 9-1-1 line be restricted to those situations that require immediate dispatching of police, paramedic, or fire department personnel. For example, crimes or fires that are in-progress, or medical emergencies.

The San Francisco Police Department district station telephone numbers and emails are not monitored. Questions will be answered in the order we receive them. Station emails are not for making police reports nor for reporting a crime. If you need to make a police report, you can call 415-553-0123 or go to your district police station. **If you have an emergency, please call 9-1-1.**

San Francisco Police Address Safety During for Pride Week 2018

The San Francisco Police Department is dedicated to making this year's Pride Week safe and enjoyable.

San Francisco's Pride Week is the largest LGBTQ celebration in the country and one of San Francisco's most popular and well-attended events. With huge crowds expected, including guests from around the world, providing safety with respect for all is our number one priority.

There will be a significant police presence during Pride activities, with both uniformed and plainclothes officers on duty to monitor public events. As with any large event, there are always safety concerns. Safety is everyone's responsibility, including participants, organizers, security staff and law enforcement.

We want to remind the public that while the Castro District is open for business, **there is no organized event taking place Saturday in the Castro District.** There will be no street closures. Laws prohibiting possession of open containers of alcoholic beverages and drinking in public will be strictly enforced. San Francisco and the Castro District offer a wide variety of restaurants and entertainment venues and we encourage celebrants to patronize local businesses and to celebrate responsibly.

Security measures for the Pride Festival include:

- Celebrants attending the Pride festival in Civic Center will be screened by either walk-through metal detectors or handheld "wands," and are subject to additional searches of their person and possessions. Please allow extra time to pass through security checkpoints. You can help reduce delays at checkpoints by leaving unnecessary items at home.

- For more information on security screening, check out the San Francisco Pride website <http://www.sfpd.org/celebration/>
- Bags are discouraged. If you must bring a bag, it can be no larger than 18 inches x 18 inches. Bags are subject to search and there are no lockers for storage of oversize bags.
- Alcoholic beverages will be available for purchase inside the Civic Center venue and Pride organizers have a 100% ID check policy. No outside alcohol will be allowed into the venue and possession of open containers or consumption of alcoholic beverages is prohibited on City streets.
- The public should expect to see a significant police presence including members of the Special Operations Bureau, who will be mobile in the parade and festival areas. The Department is also working closely with our local, state and federal law enforcement partners to make the events as safe as possible.

Pride participants can help avoid becoming a victim of a crime by keeping in mind the following safety tips:

- Pride is about community. Look out for each other and report any suspicious persons or activity to event staff or a police officer. A good adage is, "If you see something, say something." In an emergency, call 9-1-1. To provide an anonymous tip, call the SFPD Anonymous Tip Line at (415) 575-4444.
- Stay informed of emergencies or significant events by signing up for emergency text message alerts by texting the word PRIDESF to 888-777. AlertSF allows us to notify you of emergencies in San Francisco.

- Keep your friends close and your drinks closer. Don't accept drinks from strangers. Drink responsibly and don't drink and drive- always use a designated driver.
- The San Francisco Bay Area has a host of public transit options that will get you to, from and around Pride events.
- If you drive to the festivities, remember to "Park Smart!" Take your valuables with you, don't leave them inside your car.
- Maintain possession of your cell phone, wallet and other valuables.
- There is safety in numbers. Stay with a group when on the street or leaving bars and clubs. Be cautious about leaving a bar or club with a stranger. A rule of thumb is that if you feel "unsure" about someone, rely on that instinct and do not go with that person.

"Whether you're a Bay Area native or visiting from around the world, everyone should feel safe and welcome while enjoying San Francisco's Pride events," said Police Chief William Scott. "SFPD is working closely with Pride organizers and our partner agencies to provide safety with respect for everyone joining us for this joyous celebration."

PARK STATION'S VISION & VALUES

Captain Una Bailey

I absolutely love police work and I love all that we as SFPD can do to help victims, solve and prevent crimes, and I am a firm believer in the power of the community. We, as a department, are only as successful as our partnerships with the community. I learned very early in my career how important community involvement is both in solving and preventing crimes and also in the creation of safe desirable neighborhoods. I look forward to building and maintaining community involvement and relationships over the coming years. I know that when we work together, we will create a district that will be safe and sound for all.
