(d) Reason for Encounters.

- (f) Department of Police Accountability:
- The total number of complaints received during the reporting period that it characterizes as allegations of bias based on race/ethnicity, gender or gender identity.
  - The total number of complaints closed during the reporting period that were characterized as allegations of bias based on race/ethnicity, gender, or gender identity.
  - The total number of each type of disposition for such complaints.

In addition to the above classifications, the data extracted is also categorized by district stations.

As part of our commitment to transparency, the Department has also reported on all bias-related complaints received by the Department, and forwarded to the Department of Human Resources, (DHR), for investigation. In addition, this report and the attached executive summary will be posted online at [sanfranciscopolice.org](http://sanfranciscopolice.org).

Effective July 1, 2018, in compliance with Assembly Bill 953, the Racial Profiling Act of 2015, the Department implemented the Stop Data Collection System (SDCS) created by the California Department of Justice and ceased to utilize the eStop data collection system. The Department is currently working on building a new reporting environment for AB 953 regulated stop data off the DOJ system and develop a reporting format that would allow the data output be shaped into a readable report aligned with DOJ policy and reporting dataset interpretation.

The first report will be due on May 7, 2019, as per the amendment approved by the Board of Supervisors to Administrative Code Chapter 96A, effective July 1, 2018. The amendment allows two semi-annual reports of AB 953 data, with the Department reverting to quarterly reports by November 5, 2019.

If I can be of further assistance, please do not hesitate to contact me at (415) 837-7000.

Sincerely,

**WILLIAM SCOTT**  
Chief of Police
