DOJ Objective: Use of Force

DOJ Recommendation #: 23.1

*****As of 12/27/2016, DGO 5.02 has been rescinded effective immediately*****

The issuance of DGO 5.01 and DB 16-219 supersedes all previous versions, DGO 5.02, and all other Bulletins that amended or referenced DGOs 5.01 or 5.02.

As part of the Department of Justice Collaborative Reform Initiative assessment, Recommendation 23 states the SFPD policy, 5.02, Use of Firearms, provides for a variety of exceptions that allow officers to shoot at a moving vehicle, which effectively nullifies the general statement that officers are prohibited from discharging their firearm at the operator or occupant of a moving vehicle. The department's pending draft order on use of force (DGO 5.01) allows shooting at vehicles when there is an immediate threat of death or injury by means other than the vehicle.

The SFPD should immediately implement this provision of the draft policy.
