# Captain's Message

Halloween is almost here and I would like to share some safety tips from SFPD and SF SAFE to make it a safer and fun night for all:

1. Make sure your children know how to call 911 or SFPD Dispatch's direct line (415-553-8090) if they have an emergency or get lost.
2. Always accompany younger children trick-or-treating.
3. For older children going out without adults, plan and review an acceptable route and agree on a return time when they should be home.
4. Only go to homes with a porch light on and never into a home or car for a treat.
5. Visibility is key! Consider attaching reflective tape, glow sticks, or battery-operated twinkle lights to costumes.
6. Walk in well-lit, well-traveled areas, in a group if possible.
7. If you are passing out candy keep your home safe for visiting trick-or-treaters by clearing porches, yards and walkways of any trip hazards. Keep pets restrained for safety (and to not scare little ones!).
8. Advise your children to not eat their candy until you have checked it.
9. Any candy not in its original wrapper or that appears to have been opened should be thrown out immediately.

## SFPD Seek Public's Assistance in Locating Hit and Run Vehicle

Friday, October 19, 2018

On Tuesday, August 21, 2018 at approximately 5:40AM, a hit-and-run collision occurred at the intersection of Valencia Street and Hill Street in San Francisco's Mission District. The suspect vehicle, a maroon 4-door sedan, was traveling southbound on Valencia Street when it struck the victim who was operating a bicycle. The collision caused the victim to be ejected off his bike and fall to the ground.

The victim, a 33 year-old San Francisco resident, sustained non life-threatening injuries and was transported to a local hospital.

This incident occurred on a well-traveled thoroughfare. Investigators ask anyone who was in the area of Valencia Street and Hill Street on August 21, 2018 around 5:40AM to check cell phones, dash-cams and surveillance systems for photos or video of the collision and/or the suspect vehicle. Investigators are asking anyone with information to contact the SFPD 24 hour tip line at (415) 575-4444 or Text a Tip to TIP411 and begin the message with SFPD.

### The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit [sanfranciscopolice.org/police-commendation-complaint](http://sanfranciscopolice.org/police-commendation-complaint) for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back up.
