NEXT COMMUNITY MEETING:

MONDAY, February 4, 2019
6:00 PM

Bayview Station Community Room
201 Williams Ave.

Captain's Message

Bayview Community,

My first thirty days have been somewhat of a challenge addressing all of the needs of the community, but I believe we have made great strides in developing some long term plans to improve the quality of life for this community.

There have been three homicides in the last 30 days and all appear to be isolated incidents. Bayview officers are working hard to be available and stay visible and vigilant in addressing safety concerns.

It is my hope that in the near future you will see a visible difference in the trash illegally disposed of in the district, as well as the RVs and tents around the district. DPW is working diligently to collect trash and clean up the district. The Homeless Unit has made a commitment to increase resources for the Bayview to assist in the relocation of the homeless community.

I would ask that everyone continue to be vigilant in the reporting of crime, and always put in a call to 311 so that calls for service can be logged for illegal dumping and homeless issues.

I look forward to seeing you at the next community meeting.

San Francisco Police Make Arrests In Chinese Community “Blessing Scam” Incidents

The San Francisco Police Department is investigating several incidents involving a blessing scam targeting older members of the Chinese community. Such scams usually involve strangers claiming to provide relief from a curse or an illness, or providing “purification” ceremonies in which cash and valuable items must be offered as part of the process.

Between November 29th, 2018 and December 14th, 2018 four blessing scams were reported to the San Francisco Police Department with a loss totaling over \$180,000.00 dollars in cash and jewelry. San Francisco Police and San Francisco District Attorney’s Office investigators, with the cooperation of multiple outside law enforcement agencies, identified and arrested two suspects.

On December 24th 2018, 51 year-old Mudi Wu and 45 year-old Fuxi Dai, both of China, were arrested at Los Angeles International Airport where they were attempting to flee to China. The suspects were transported back to San Francisco where they were interviewed and booked on grand theft, petty theft, extortion and elder abuse charges.

The SFPD would like to thank members of the public who provided evidence which helped lead to the arrest of the suspects. The department gratefully acknowledges its collaboration with the San Francisco District Attorney’s Office and the assistance of the Los Angeles Police Department, U.S. Customs and Border Protection and Los Angeles Airport Police.

Although arrests have been made, this is an ongoing case. Due to pending identification matters, booking photos are not available at this time. Investigators are asking anyone with information on this case to contact the San Francisco Police anonymously at 415-575-4444 or text-a-tip to TIP411 with SFPD at the start of the message.

The San Francisco Police Department urges members of the Chinese community to be suspicious of such offers from strangers. Potential victims are strongly advised to contact police immediately if confronted with such a situation. Family members and caregivers to elder Chinese community members should discuss this scam with them and instruct the elders to call them if anyone approaches them under similar circumstances.

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the “watchdog” for the City and County of San Francisco. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

Eligibility Requirements:

- 18 years of age or older and a United States citizen.

SAN FRANCISCO CIVIL GRAND JURY FACT SHEET AND SELECTION TIMELINE

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a “watchdog” that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury’s work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

Who is Eligible?

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

How do I Apply?

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 – 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 – 2020 Civil Grand Jury takes office on July 1, 2019.

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
