Captain's Message October 2018

As a San Franciscan, I don't do humidity.

A few days ago, I was walking through Balboa Park and was mentioning the stuffy humidity on a warm day and I heard someone say "earthquake weather." I immediately shuddered at the thought of a major earthquake occurring and the anger at someone who would even mention "earthquake" (as if he had 'jinxed' us and that the cosmos would now snap into action at this verbal faux pas.)

While we may be conditioned to fear the worst, we must all transcend fear into action. With the 29th anniversary of the Loma Prieta earthquake fast approaching, let's take time this month to empower ourselves.

- 1) To enhance district knowledge, go to sfpdinglesidestation.com and signup for the station newsletter.

Featured Ingleside Officer of the Month

Leo Zandanel

Ofc. Eleonardo Zandanel was born in Pieve di Cadore Italy to an Italian father and a Brazilian mother, so he grew up speaking Italian and Portuguese. He migrated to the United States at age 10 and learned English, Spanish, and French along the way. After graduating from Northeastern University—with a double major in International Affairs and Economics—he then worked at the United Nations during 2 general assemblies in 2011 and 2014. Already an established world traveler, he then went on a motorcycle ride of a lifetime: from Boston to Brazil. There, he found a job at a non-profit. While visiting a friend in San Francisco, he noticed an ad on a Muni bus to join the SFPD and the rest is history.

During a recent stop at a block party in Bernal Heights, Ofc. Zandanel jumped into a soccer pickup game with kids and showed off a Ronaldo-esque back-heel kick (see pictures above).

Ofc. Zandanel has been with the SFPD for three years and enjoys Ingleside Station for the officers who deeply care about the community and the rich diversity of Ingleside's neighborhoods. He is currently assigned as a foot-beat officer and is doing an apprenticeship with the School Resource Officers (SRO's), where he is learning the dynamics of working with the parents, schools, and children in the Ingleside's 47 schools.

Featured Ingleside Community Member of the Month

Ernest Jones

Ernest Jones was born at St Luke's Hospital in the Ingleside District in 1985. EJ's home was at Arch and Holloway Street in the neighboring Taraval District. EJ's mother worked as an educator for the San Francisco Unified School District (SFUSD) for 45 years; his father worked for SF MUNI as an Inspector.

EJ attended St. Emydius Grammar School and later attended St Ignatius High School. EJ attended Dominican University for his undergraduate studies and received a Masters in Public Administration from the University of San Francisco.

EJ's professional career in Public Administration began with the SFUSD where he assisted families and students with their needs and education. EJ wanted to further his public service and have more tangible impact on families, so he began working at the Bernal Heights Neighborhood Center and with residents of the Alemany housing complex. There, he affected positive community engagement by starting the "City Eats Program" where 1,000 homeless people are fed nutritious meals every Saturday of each month. EJ continues to serve challenged and underserved communities and has a desire to make a positive impact on people's lives.

EJ takes great pride in planning block parties where residents from communities such as Holly Park and Alemany Housing Complex celebrate their neighborhood. When asked about the recent Holly Park Block Party, EJ took pride in the success of the event where residents, neighbors (including Mayor Breed), and neighborhoods came together in a spirit of collaboration, preparation, and connection. EJ is grateful for so many motivated, caring, and dedicated people, community members, community groups, and City government (with special thanks to Nick Chapman at ISCOTT/MTA and Daniel Homsey from NEN) coming together to plan the upcoming November 3rd Alemany Block Party on Ellsworth Street from 11AM-2PM. We are grateful for EJ's dedication, enthusiasm, collaboration, and support for community building!

If you are interested in supporting this amazing upcoming event, please call 415-206-2140 or visit www.bhnc.org.

San Francisco Police Make Arrest in Aggravated Assault Investigation

In late September 2018, the San Francisco Police Department asked for the public's help in identifying a suspect wanted in an aggravated assault investigation. On September 8, 2018 at approximately 11:22 PM, an aggravated assault occurred on First and Howard Streets in the Southern District. In this incident, the victim was reportedly waiting on the street corner for a rideshare service when a vehicle pulled up next to him. The victim approached the vehicle, believing that it belonged to rideshare company. An occupant of the vehicle then exited the car and punched the victim, causing him to fall to the ground and sustain life threatening injuries. The suspect returned to the vehicle – described as a white four door sedan with silver rims and a black roof - and fled the scene.

Surveillance photos of the suspect vehicle, surveillance footage capturing the incident, and a forensic sketch of the suspect were also released.

Investigative leads were developed through various outlets, leading to the identity of the suspect. On October 16, 2018 San Francisco Police investigators responded to San Jose, CA and took 25 year-old Jiacheng Fang into custody without incident. Fang was arrested on felony charges of assault with force likely causing great bodily injury and battery causing serious bodily injury. Attached is Fang's booking photo.

Join The S.F.P.D. – San Francisco's Finest

The San Francisco Police Department welcomes dedicated men and women to join us in serving our City. I encourage you to apply to become one of San Francisco's finest.

The City and County of San Francisco invites you to join a highly respected police department and serve the citizens of one of the most beautiful cities in the country. San Francisco Police Officers perform a wide variety of duties to promote public safety and security, prevent crime and enforce the law. Police officers perform a number of essential functions. For example, they patrol districts to prevent and detect crime; respond to calls for assistance; conduct criminal investigations; interact with the community to build cooperation and support; pursue and arrest suspects; enforce traffic and parking laws; write reports and maintain records; work with superiors, peers, and others as a team; prepare for and participate in planned events; prepare for court and give testimony; and fulfill other administrative duties when required. This is much more than a job; it is an opportunity to build a career of which you can be proud.

Applying is Easy!

1. Apply with the City and County of San Francisco at www.jobaps.com/sf (Entry Level (Q-2) Police Officer)
