## Captain Jack Hart's Message

Wednesday Jan 9, 2019

**Should auld acquaintance be forgot and never brought to mind? Should auld acquaintance be forgot and days of auld lang syne?"**

**To answer Robbie Burns' rhetorical question from 1788, as our houses, blocks, neighborhoods, and station transition together on our public safety journey from 2018 to 2019: No!**

**While we pop the champagne, watch the ball drop over Times Square, smooch a loved one, reminisce on growing up watching Dick Clark on New Year's Eve, and singing this song at the stroke of midnight while we "take a cup of kindness yet," the song Auld Lang Syne continues on. It's Burns' fifth verse—often lost after the first refrain on New Year's Day—that challenges us to not sit back, reflect, and forget, but rather to be courageous and bold; to reach out to others first: "And there's a hand my trusty friend! And give me a hand of thine!"**

**When I close my eyes and visualize this phrase, so many images quickly fill my mind; genuine moments of humanity embracing humanity. I saw it not only from Ingleside officers toward community members, but from so many community members helping us and helping each other out during the most difficult times—these moments from 2018 give me hope for the year to come.**

**Whatever your resolutions in 2019, resolve to be the first in your house, block, or neighborhood to embody the spirit of Burns' words and reach out to those around you with the spirit of genuine camaraderie, service, and selflessness in the hopes of enhancing your part of our wonderful Ingleside community.**

*Captain Jack Hart  
Commanding Officer*

### San Francisco Police Arrest Stabbing Suspect

On Wednesday January 2<sup>nd</sup>, 2019 at approximately 11:40 AM, San Francisco Police officers responded to a report of a person down at the intersection of Ellis Street and Leavenworth Street. The officers located a 61 year-old woman suffering from a stab wound to the head. San Francisco Fire Department paramedics responded and transported the victim to a hospital, where she unfortunately succumbed to her injuries.

Witnesses at the scene were able to provide responding officers with a suspect and vehicle description. SFPD officers located a second, 50 year-old victim at the hospital. That victim suffered a non-life threatening stab wound at the hands of the suspect. The SFPD Homicide Detail was notified and began an investigation.

Twenty minutes after the homicide, officers conducted a traffic stop on a vehicle matching the suspect description on the unit block of Brookdale Avenue and detained the 43 year-old female driver. While questioning the driver, 49 year-old San Francisco resident Arthur Finch emerged from a nearby residence. Officers noted that Finch matched the physical and clothing description of the homicide suspect and detained him without incident.

SFPD's investigation determined that Finch was involved in the stabbing death of the 61 year-old woman, the stabbing of the 50 year-old male and a domestic violence-related assault on the female driver stopped by police. Based on information obtained in the investigation, the 61 year-old woman and the 50 year-old male victim had attempted to come to the aid of the domestic violence victim who was being assaulted by Finch.

Finch was booked into San Francisco County Jail for murder, attempted murder, felony domestic violence, elder abuse, possession and use of a dangerous weapon, mayhem and assault with a deadly weapon. Finch was also booked for being a parolee at large with a no bail warrant.

**FOR IMMEDIATE RELEASE**

**December 17, 2018**

## **DMV Reminds Motorists of New 2019 Laws**

**Sacramento** – With the New Year just around the corner, the California Department of Motor Vehicles (DMV) wants to inform the public about several new laws or changes to existing law that, unless otherwise noted, take effect January 1, 2019.

**Temporary License Plate Program ([AB 516, Mullin](#)):** This law requires licensed California dealers, of new and used vehicles to attach temporary paper license plates on a vehicle at the point of sale if that vehicle does not display license plates previously issued by the DMV. The temporary license plates contain a unique number and expiration date. No vehicle can be driven off the dealership lot without the temporary license plate affixed to it unless it already has issued plates. The intent of this new law is to reduce the number of toll violators and improve safety for law enforcement.

**Gender Identity Female, Male, or Nonbinary ([SB 179, Atkins](#)):** This law allows individuals applying for a California driver license or identification card to self-certify their chosen gender category of male, female or nonbinary in the application. Applicants who select nonbinary will receive a card with an “X” in the gender category.

**Driving Under the Influence – Ignition Interlock Device ([SB 1046, Hill](#)):** From January 1, 2019 to January 1, 2026, this law mandates repeat offenders for driving under the influence (DUI) and first DUI offenders whose violations resulted in injury, to install an ignition interlock device (IID) for a period ranging from 12 to 48 months. This law also allows those who receive a suspension under the Administrative Per Se law to obtain an IID-restricted driving privilege, and receive credit toward their required IID restriction period if they are later convicted of a DUI. These provisions apply to DUI violations that involve alcohol or the combined use of alcohol and drugs. They do not apply to drug-only violations. Additionally, courts have the discretion to order a non-injury first DUI offender to install an IID for a period of up to 6 months. If the court does not order IID installation, a non-injury first offender may apply for a driver license for IID restrictions or restrictions that allow them to drive to, from, and during their employment and to and from a DUI treatment program for 12 months. Previously, an IID pilot program was only in effect in Alameda, Los Angeles, Sacramento and Tulare counties.

**Smog Check Changes and New Abatement Fees ([AB 1274, O'Donnell](#)):** This law expands the existing smog check exemption to vehicles that are up to eight model years old, up from the current exemption of six model years. During the additional two years of exemption, these vehicles will pay an annual \$25 smog abatement fee. The current annual \$20 smog abatement fee for the first six years of exemption remains unchanged.

**Driving Privilege for Minors ([AB 2685, Lackey](#)):** This law repeals a juvenile court's authority to suspend, restrict or delay the issuance of a driver license of a habitual truant or ward of the state for up to one year. The law clarifies that any suspensions or delays reported prior to January 1, 2019, remain in effect.

**DMV Reminds Motorists of New 2019 Laws**

December 17, 2018

Page 2 of 2

**Motorized Scooters, ([AB 2989, Flora](#)):** Bicycle helmets are no longer required for riders of motorized scooters who are age 18 or older. It also amends existing law to prohibit a person from operating a motorized scooter on a highway with a speed limit greater than 25 miles per hour, unless it is within a [Class IV bikeway as well as a Class II bikeway](#). However, it permits local authorities to authorize the operation of motorized scooters on roads with speed limits up to 35 miles per hour outside of a Class II or Class IV bikeway.

**Unsafe, unsecured loads on vehicles ([AB 1925, Choi](#)):** This law requires the DMV to include at least one question addressing laws pertaining to driving with an unsafe, unsecured load in at least 20 percent of the knowledge tests administered to driver license applicants. Unsecured loads, such as ladders, buckets and loose items in the back of pickup trucks, can be dangerous for motorists when they fall onto the road. Therefore, all vehicle loads must be covered or secured.

**\*\*\*Reminder\*\*\*****\*\*\*Green and White Clean Air Vehicle Valid Until January 1, 2019\*\*\***

**High-Occupancy Vehicle Lanes ([AB 544, Bloom](#)):** As previously announced, AB 544 created a new program to grant low-emission vehicles and transitional zero-emission vehicles access to high-occupancy vehicle (HOV) lanes for an approximate four-year period, regardless of the vehicle occupancy level. A green or white decal is valid until January 1, 2019 and vehicles displaying these decals no longer have access to HOV lanes. Vehicles that were issued a green or white decal between January 1, 2017 and March 1, 2018 are eligible to apply for a red decal that grants them access to HOV lanes until January 1, 2022. The DMV notified these customers of their eligibility by mail. The DMV will issue light purple decals in 2019 that will grant access to HOV lanes until January 1, 2023. Decals are available to applicants who have not applied for or received a consumer rebate pursuant to the Clean Vehicle Rebate Project, unless they meet annual income requirements. For more information or to apply, visit DMV's [Clean Air Vehicle Decals](#) webpage. Visit the [California Air Resources Board](#) website for additional information on vehicle eligibility.
