Captain Jack Hart's Message

Wednesday Feb 13, 2019

On February 6th, 2019, Mayor London Breed and City Administrator Naomi Kelley are presenting the 11th Annual San Francisco Neighborhood Empowerment Network (NEN) Awards at City Hall.

I am humbled and honored to receive probably the most prestigious award any government employee could receive: The Most Empowering City Employee of the Year award, joining the ranks of esteemed past award recipients such as DPW Superintendent Mohammed Nuru, SFFD's Captain Erica Arteseros. The Clean Team's Sandra Zuniga, SFPD's Captain Joe McFadden, Assistant City Attorney Victoria Weatherford, and others.

Abraham Lincoln famously said: "Nearly all can stand adversity, but if you want to test people's character, give them power." What he was saying to us is that character is forged in the everyday acts of power that are in service of a cause greater than ourselves and not in service of and for ourselves. Bill Clinton opined on power this way: "People have always been more impressed with the power of our example than the example of our power." Power in the hands of a police officer—armed with more power and authority than any other member of government & in a nation whose most precious gift is freedom—demands that this awesome power and responsibility are used on behalf of and in the service of the people we are constitutionally mandated to be in service of. Empowering others in this way reflects government at its best. As such, being recognized this way is one of the most honorable and noble experiences of my career.

To everyone who works with and for the Neighborhood Empowerment Network, to the residents, merchants, and community leaders who nominated and voted for me to receive this award, to the members of Ingleside Station, to my mentor Michael Nila from Blue Courage, and to my wonderful family: Ananda, Quinn, Calliope, my mother Heather, my mother-in-law Connie Krosney, my late father Jack, & my late brother Gerry, who empower me to empower others, I am truly grateful.

San Francisco Police Safety Tips for Lunar New Year Festivities

Gung Hay Fat Choy! The 2019 San Francisco Chinese New Year Parade will be held on **Saturday, February 23, 2018**. The parade, begun in the 1860's as a means to educate the community about Chinese culture, is the largest such lunar year celebration in the country and one of San Francisco's most popular and well-attended events.

With huge crowds expected, including guests from all over the world, public safety is the San Francisco Police Department's number one priority. There will be a significant police presence during Lunar New Year activities, with both uniformed and plainclothes officers on duty to monitor public events. As with any large event, safety is everyone's responsibility, including participants, organizers, security staff and law enforcement.

Lunar New Year celebrants can help avoid becoming a victim of a crime by keeping in mind the following safety tips:

- The festivities are about celebrating community. Look out for each other and report any suspicious persons or activity to event staff or a police officer. A good adage is, "If you see something, say something." In an emergency, call 9-1-1. To provide an anonymous tip, call the SFPD Anonymous Tip Line at 1-415-575-4444.
- Stay informed by signing up for emergency text message alerts by texting the word AlertSF to 888-777. AlertSF allows us to notify you of emergencies in San Francisco.
- Keep your friends close and your drinks closer. Don't accept drinks from strangers. Drink responsibly and don't drink and drive- always use a designated driver.

- The San Francisco Bay Area has a host of public transit options that will get you to, from and around Lunar New Year events.
- If you drive to the festivities, remember to "Park Smart!" Take your valuables with you- don't leave them inside your car.
- Maintain possession of your cell phone, wallet and other valuables.
- There is safety in numbers. Stay with a group when on the street or leaving bars and clubs. Be cautious about leaving a bar or club with a stranger. A rule of thumb is that if you feel "unsure" about someone, rely on that instinct and do not go with that person.

San Francisco Police also urge all members of the Chinese community to be suspicious of strangers claiming to provide relief from a curse or illness or those who provide "purification" ceremonies in which cash and valuable items must be offered as part of the process.

Visit our Lunar New Year Safety webpage at [Sanfranciscopolice.org/lunarnewyear](https://www.sanfranciscopolice.org/lunarnewyear) for videos on ways to protect yourself from a scam and information on reporting resources available to scam victims.

Anyone who is confronted by scammers or anyone who knows of an elder who was approached by scammers is strongly advised to contact police. Reports can be made at any SFPD District Station or by calling Dispatch at 1-415-553-0123 and requesting an officer to take a report.

Cantonese speakers can leave tips on a special tip line by calling 1-415-553-9212 or 1-855-737-3847.

Information can also be called into the Anonymous Tip Line at 1-415-575-4444 or via Text a Tip by texting a message to TIP411 and beginning the message with SFPD.

Early Bird EXPRESS

Starting on February 11, 2019, morning weekday BART trains will start one hour later for vital repairs and critical earthquake safety work. Alternative bus service will run between 3:45 am and 6:00 am.

Roughly 2,900 passengers enter the BART system during that first hour of service. Over 2,400 of those riders begin their trips in the East Bay with 64% disembarking at downtown San Francisco stations.

First hour BART riders surveyed during extensive outreach in the Spring of 2018 guided the development of a robust alternative bus service plan between the 4:00 am - 5:00 am window.

The alternative service plan creates 14 new express bus lines that will run from 3:45 am until 6:00 am. This includes 7 Transbay bus routes, 5 East Bay routes and 2 San Francisco/Peninsula routes. BART is partnering with 8 Bay Area bus agencies to operate this network. All fares between express bus stops will be the same as, or less than, current BART fares for the same trips. Train service will start at approximately 5 am. Check the schedule at www.bart.gov.

BART trains will start running an hour later each weekday at 5:00 am, beginning on February 11, 2019, so that a vital retrofit of the Transbay Tube and other necessary system upgrades can be performed.

To install the steel lining and make other systemwide upgrades, our crews will need extra time to be in the trackway overnight. Opening an hour later will speed up these projects by at least 25% and provide a minimum 12% cost savings.

Parking Options

Because BART stations won't open until 5 am, current parking payment methods will not be available for Early Bird Express riders. There will be two options to allow these riders to continue to pay for parking. The first is the Pay by Smart Phone App. BART will launch the new single sign-on app this fall with the parking payment feature expected to be available for early morning parkers only between 3:45 am and 5:15 am beginning February 2019.

For those who prefer to pay by cash, day passes will be available for advance purchase by mail or at the Lake Merritt and Embarcadero Clipper Card Office customer service centers.

What Work is Being Done?

The Transbay Tube is made up of a giant concrete liner and an outer steel shell. To address concerns of flooding in the Tube, BART crews will install an inner steel lining designed to minimize leakage in the event of a very large earthquake on the Hayward or San Andreas faults. Workers will also upgrade the water pumping system to allow more time to safely evacuate riders and make necessary repairs if a large quake causes damage. Upgrades to other vital parts of the system will also be made to ensure safe and reliable service.

How Long will the Later Weekday Start Time Last?

We anticipate the Transbay Tube retrofit work will last approximately 3.5 years.

Bicycle and Pedestrian Safety Enforcement Operations Plan for San Francisco with OTS Grant

The San Francisco Police Department will conduct Traffic Safety Enforcement Operations on February 4th, 12th, 20th and 28th with a focus on bicycle and pedestrian safety. Over the past three years, the department has identified areas where significant numbers of pedestrian and bicycle-related collisions have occurred and responded by deploying additional officers to those areas in an effort to prevent deaths and injuries. Special attention will be given to Focus on the Five violations: speeding, making illegal turns, failing to stop for stop signs and red lights, failing to yield to pedestrians in cross walks, as well as any other dangerous violation.

San Francisco is committed to eliminating traffic deaths on our streets as part of Vision Zero SF. Vision Zero SF is our city's commitment to prioritize safe streets for everyone.

Bicycle and pedestrian fatalities are rising in California as more people use these non-motorized means of transportation. In 2016, California witnessed 867 pedestrians and 147 bicyclists killed, accounting for more than 28 percent of all traffic fatalities.

All riders are reminded to always wear a helmet – those under 18 years of age must wear helmets by law. Pedestrians should cross the street only in marked or unmarked crosswalks at corners. All motorists are reminded to be mindful of others who share the road.

Funding for this program is provided by a grant from the California Office of Traffic Safety through the National Highway Traffic Safety Administration.

THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!

Volunteer to serve on the San Francisco Civil Grand Jury

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the “watchdog” for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

Eligibility Requirements:

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

Help make government more efficient!

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

SAN FRANCISCO CIVIL GRAND JURY FACT SHEET AND SELECTION TIMELINE

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a “watchdog” that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury’s work takes place during regular business hours.

HOW TO REPORT GRAFFITI VANDALISM

The SFPD has learned that there are 5 major categories of graffiti which include:

- Communicative graffiti; Written to convey one's point of view. Often political.
- Hate crime graffiti. Written to instill fear with in real or perceived protected classes of people.
- Artistic graffiti. A character or nonverbal symbol often written repeatedly by an individual.
- Tagger graffiti. A written name or moniker repeatedly written by the same person or tagger. These pieces of graffiti are referred to as tags or graffiti tags.
- Gang graffiti. Written to mark gang territory. Written to create fear and intimidation toward rival gang members. Written to promote a gang or set of a gang.

Of these five different types of graffiti we know that the main source of graffiti vandalism in San Francisco is tagger graffiti. Exposing a graffiti taggers graffiti tag or moniker is a key to stopping them from committing more graffiti crimes.

The following steps should be taken when reporting graffiti crimes in progress:

- Call 911
- Pay particular attention to the Suspect's description and where they wrote their graffiti
- Follow up with the Officers and be ready to provide a statement and identify any detained person(s)
- If applicable provide a cost estimate for the damaged property

The following steps should be made when reporting cold graffiti cases with supporting evidence:

- Call (415)553-0123
- Provide full Suspect description or any other key details
- If applicable provide surveillance video
- Provide a cost estimate for the damaged property

The following steps should be made when reporting cases with less supporting evidence:

- Report online at <http://sanfranciscopolice.org/reportS>
- Include photos of the graffiti which can be uploaded through the report writing system
- Provide a cost estimate for the damaged property

To report graffiti on public property us the SF311 app.

The following Steps should be made to deter graffiti vandalism:

- Paint over graffiti quickly. If taggers know that their work won't last they are more likely to move to another location
- Use ample lighting. Taggers often use the cover of darkness to keep from being detected
- Set up surveillance cameras. Their presence act as a deterrent and they are useful in helping to identify taggers with prior arrests

Consult with the SFPD Graffiti Abatement Officer Martin Ferreira #570 for guidance with graffiti issues. martin.ferreira@sfgov.org
