Captain Joe Engler's Message

Residents, merchants, and visitors,

As most of you know, October is Breast Cancer Awareness Month. This year, SFPD is partnering up with the Pink Patch Project to help raise awareness about the life-saving benefits of early detection and intervention in the fight against breast cancer. Public Safety Agencies across the entire country, including ours, will be wearing their department's patches with converted pink colors to show support of this amazing mission. The pink patches are intended to stimulate conversation with the community and to encourage public awareness about the importance of early detection and the on-going fight against this disease.

The proceeds raised by our department will go directly to Bay Area Cancer Connections, an organization that was founded in 1994 that offers a variety of services including support groups, counseling, wellness classes, a resource center and much more.

More now than ever I encourage you to engage in conversation with Northern station's officers, take a picture and help spread the word of this project by posting it on your social media accounts.

As this is our inaugural year, let's start the month of October off right and do what we can to play a small role in ending the battle against cancer.

As always, thank you for your continued support. Until next week.

JE

Captain Joseph Engler

COFFEE WITH A COP 2018

On 10/03/18 Northern Station Personnel took part in National Coffee with a Cop Day. Our patrol officers had a great time interacting with the public answering questions, addressing concerns, and handing out a few stickers to some children along the way! If you were unable to attend this week look out for future coffee with a cop days throughout the year, or join us in October 2019.

MEET THE BEAT

Meet Officer Stephen Hom. He is an 11 year veteran of the SFPD. Steve is currently the footbeat officer for the Union Street corridor within our district. He has been assigned to Northern Station since September of 2015.

Officer Hom has made an immediate impact to the area. The business owners love his enthusiasm and willingness to help. Officer Hom tells me he loves taking pictures with people from the community so please take a minute and say hello if you see him walking in the neighborhood.

INCIDENT RECAP

On 09/25/18 at approximately 11:56 AM, Northern foot beat officers, in conjunction with the Narcotics Unit, coordinated another buy/bust operation in the area of Eddy Street between Larkin and Van Ness. The area is subject to numerous complaints and calls for service related to illicit drug sales. During the operation, two suspects were arrested for sales of rock cocaine to undercover officers.

On 09/26/18 at approximately 08:15 AM, A resident of 1 Daniel Burnham Court was outside of his residence waiting for a shuttle bus. He was violently attacked in an unprovoked attack by an unknown assailant. Officers were dispatched to the call and were able to stop and detain the suspect who was being followed by security guards in the area. After a positive identification, the suspect was arrested for felony battery. The victim was transported to CPMC by Medics and was treated for his injuries. Luckily, he was listed in stable condition with lacerations to his ear and face. The suspect, who is on probation for robbery, was booked into county jail.

Vision Zero SF is the City’s road safety policy that will build safety and livability into our streets, protecting the people who move about the City every day via surface streets.

The City and County of San Francisco put this policy in place back in 2014. The goal is to create a culture that prioritizes traffic safety and ensure that mistakes on our roadways don’t result in serious injuries or death. The result of this collaborative, citywide effort will be safer, more livable streets as we work to eliminate traffic fatalities by 2024.

Check out visionzerosf.org where you can take the pledge, get a bumper sticker, and find out more.
