Captain Joe Engler's Message

Residents, merchants, and visitors,

This mid-March newsletter comes with the recognition that celebrants of many of our world religions share in many important holidays this month. With the changing of the seasons comes new life and hope, which is a central theme shared by all religious faiths.

Hinduism celebrates the Maha Shivaratri, whose cosmic dance creates, preserves, destroys, and recreates the world. Catholics celebrate Ash Wednesday and the start of the 40 day Lenten season by praying, repenting, fasting, and reflecting on Jesus' final journey to Jerusalem. Buddhists celebrate the death of a Chinese Pure Land Buddhist priest who taught that enlightenment could occur simply through repetition of the name Amitabha or Amida Buddha. In Judaism, the Eve of Purim celebrates the Jews' rescue from a plot to destroy them as memorialized in the biblical book of Esther. Hola Mohallah is celebrated by followers of Sikhism with 3 days of mock battles, music competitions and festivities.

San Francisco, and especially the several communities that create the Northern Police District, celebrate our several faiths, beliefs and religions like no other place I know. Our several faiths and our acceptance and celebration of one another is the glue that binds all of us together as a loving and supportive community.

Crime and blight is being replaced with daily occurrences that validate the very best of our community. Our young people are excelling as students in our school system like no other time prior. Our playgrounds have children playing on tennis courts, basketball courts, and soccer fields. Good times are all around us on display, a constant reminder of good triumphing over evil.

Thank you for being the type of citizens that make policing joyful and meaningful, as we are all working towards making San Francisco the greatest City on earth. We are strong because we are different and unique and celebrate those great qualities.

As we celebrate and protect one another, please keep the nation of New Zealand and their citizens in your hearts and in your prayers.

Have a safe and happy St. Patrick's day weekend.

-JE

INCIDENT RECAPS

On 3/7/19 at about 1737 hours, Officers responded to a call of a belligerent subject at the Western Addition Library. Upon arrival, officers made contact with the subject, who was immediately verbally combative; officers successfully placed the subject in handcuffs. Due to multiple prior incidents with the subject, he has been well known to various library employees throughout the city. The subject opens library cards under different aliases and is habitually combative, and verbally abusive, with staff. On today's incident, the subject was asked to leave by library security. The subject then got angry, and lunged toward the victim with a magnifying glass in his hand. The victim was able to retreat in the back office of the library and called 911. Officers transported the subject to Northern Station where he was later booked.

On 3/8/19 at about 2257 hours, Officers responded to a call of a subject unlawfully entering the apartment of the victims near the area of Fillmore/Eddy. One victim is a dependent who was lying down in the living room when the subject entered the apartment, so she screamed. The other victim ran out of his bedroom to chase the subject out of their apartment. The victim then managed to grab his personal pair of handcuffs and was able to successfully handcuff the subject until police arrived. The victim told officers that she was afraid the subject would rape her; the victim feared for her safety and thanked the officers when they arrived to arrest the subject.

Safety-San Francisco

In order to address the issues cyclists are faced with, SAFE has partnered with the San Francisco Police Department and dedicated community members to create SAFE Bikes. SAFE Bikes maintains a registry to help get your bike back to you in case it's stolen, and an information page to keep you and your bike out of harm's way.

<https://sfsafe.org/safe-bikes/>

To most effectively reduce crime, neighbors must work together to make their neighborhood safe. The SAFE agency manages the Neighborhood Watch Program for the City & County of San Francisco.

SAFE, with support from SFPD and DPW, will get Neighborhood Watch signs installed on individual blocks. Groups are able to apply for Neighborhood Watch signs after forming active groups. Signs are a way to publicize the efforts of your group, letting others know that yours is a SAFE neighborhood and one in which crime will not be tolerated.

View all neighborhood watch groups in San Francisco. If there is not a Neighborhood Watch group in your area, please fill out the service request form found on SF SAFE website found below.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community we proudly serve.

Visit us at <http://sanfranciscopolice.org/feedback>. Your feedback will help SFPD better serve our City. Comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

(If this is an emergency, please call 911. For non-emergencies, call 415-553-0123. You may also visit <http://sanfranciscopolice.org/police-commendation-complaint> for more information on providing input on SFPD policies and practices.)

Crime Statistics Disclaimer:

Crime statistical data is accurate at the time the data is forwarded for publication. It is anticipated that weekly crime statistics will trend slightly higher, as victims of crime often delay the reporting of crime using online reporting and walk-in station counter reports after the date of the actual incident.

We, the members of the San Francisco Police Department, are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. In order to protect life and property, prevent crime and reduce the fear of crime, **we will provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.**
