Richmond Station**

Hello Richmond District Residents,

Join us tonight at the Richmond Senior Center for a Community Meeting on Homelessness. The meeting starts at 6 PM and will have speakers from several city agencies including the Police Department and Department of Public Health. See page 8 of the Newsletter for more information.

There was a great turnout district wide for Halloween this year and lots of fun safe events for kids and adults a like. Richmond Officers handed out candy and stickers in the Clement St. Corridor, Sacramento Street, and two block parties this year. See page two and three for some great photos.

Stay safe and have a great week!

SFPD Pink Patch Project Raises \$25,000 for Charity

On **Tuesday, October 30, 2018**, the San Francisco Police Department, in partnership with the San Francisco Police Officers Association, will present a \$25,000 check to Bay Area Cancer Connections, a non-profit organization that provides personal care and support to breast and ovarian cancer patients and their families. The funds were raised through the Pink Patch Project, a collaborative effort created to raise awareness and funds for breast cancer research and treatment.

During October, which is Breast Cancer Awareness Month, SFPD members and more than 170 other participating law enforcement agencies nationwide wore specially designed pink versions of their department patch to encourage public awareness about the importance of early breast cancer detection.

The presentation of the check will take place **11:00AM Tuesday at SFPD Headquarters (1245 3rd Street)**.

Pictures of SFPD officers sporting Pink Patches are included with this media advisory. The SFPD also created a social media video (<https://vimeo.com/290974357>) to highlight the project.

PRESS RELEASE

San Francisco Police Department Receives Traffic Education and Enforcement Grant

The San Francisco Police Department has been awarded a \$237,700 grant from the California Office of Traffic Safety (OTS) for a year-long enforcement and public awareness program. The traffic safety program is intended to educate the public on safe roadway habits and deter people from violating traffic laws or practicing other unsafe behaviors that lead to injuries and fatalities.

The grant from OTS will fund various education and enforcement activities for the 2019 federal fiscal year (Oct. 1, 2018 to Sept. 30, 2019):

- DUI checkpoints and saturation patrols to take suspected alcohol/drug-impaired drivers – and those unlicensed or with a revoked/suspended license – off the road.
- Traffic safety education presentations for youth and community members on distracted, impaired and teen driving, and bicycle/pedestrian safety.
- Patrols at intersections with increased incidents of pedestrian and bike collisions.
- Speeding, red light and stop sign enforcement.

In 2016, 3,623 people were killed in crashes across the state, a 7 percent increase from 2015, according to the [National Highway Traffic Safety Administration](#). Particularly alarming is the rise in pedestrian deaths, with 867 pedestrians killed on California roadways in 2016, a nearly 33 percent increase from 2012. Along with the growing dangers of distracting technologies like phones and drug-impaired driving, this grant funding will provide opportunities to combat these dangerous and illegal behaviors.

“Almost all crashes are preventable,” OTS director Rhonda Craft said. “Education and enforcement go hand in hand helping change behaviors that cause devastating crashes.”
