Captain Daryl Fong's Message

Greetings Southern District Members,

In March 2016, I was provided the honor and opportunity to be the Captain of the Southern Police District. Over these past two and a half years, I have forged many relationships and had the pleasure and privilege of working with all of you side by side in addressing crime and neighborhood issues while strengthening and advancing police partnerships in the community. This has been a tremendous experience which has helped me to grow not only professionally but personally.

Effective Saturday, November 17th, however, I will be transitioning to a new role in the Department as the Commander of the Golden Gate Division overseeing Bayview, Ingleside, Taraval, Richmond and Park Station. I am extremely excited about this opportunity that has been afforded to me by Chief Scott. Captain Ed Del Carlo will be assuming command as the Captain of Southern Station. Captain Del Carlo will be a great asset to the Southern District as he brings almost 30 yrs of police experience consisting of varying assignments, most recently as the Commanding Officer and the Department's liaison to the SF Unified School District. Please help me in providing a warm welcome to Captain Del Carlo as he transitions into his command of Southern Station.

I will truly miss you all and I want to thank each of you for all the friendships and support during my tenure here at Southern Station. I look forward to connecting with many of you again in the near future. In the meantime, please be well and be safe.

Captain Daryl Fong
Southern Station

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on the police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Southern Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Southern Station has beat officers assigned to the Mission Street corridor from 4th St to 9th St and on 6th St between Mission St and Howard St.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Southern Station sends out newsletter updates to residents in the district that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the district station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ♦ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ♦ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ♦ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

**See something.
Say something.**
