Captain Ed Del Carlo's Message

Greetings Southern District Members,

During the month of January members of Southern Station focused on traffic and pedestrian safety. In addition to the daily focus on traffic violations by patrol officers, Southern Station had several operations focused on enforcement and education.

One operation focused on two main corridors, Mission Street and Bryant Street. These two streets serve as main pathways through our district, and are heavily traveled with all forms of transportation. The main focus was speed, or driving too fast for the prevailing conditions. The intersection of Ninth and Mission and Tenth and Bryant are two areas that we continue to focus our enforcement efforts. Over thirty citations were issued.

Another operation was district wide and focused on speed and other Vehicle Code violations. Pedestrian safety is also a top priority. Members of Southern Station partnered with our Traffic Company to conduct an operation focused on issuing citations to drivers who do not yield to pedestrians in a clearly marked cross walk. Southern Station Officers dressed in plain clothes acted as pedestrians on a busy portion of Second Street. Officers riding motorcycles then observed the violation and took appropriate action. During this operation officers were able to engage members of the community that were watching the operation on pedestrian safety, and to inform the public to be aware of their surroundings on our heavily traveled streets.

*Captain Ed Del Carlo
Commanding Officer*

Next Community Meeting:

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on the police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Southern Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Southern Station has beat officers assigned to the Mission Street corridor from 4th St to 9th St and on 6th St between Mission St and Howard St.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Officers also attend meetings with merchants groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Southern Station sends out newsletter updates to residents in the district that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the district station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- ♦ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ♦ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ♦ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

SAN FRANCISCO CIVIL GRAND JURY FACT SHEET AND SELECTION TIMELINE

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a “watchdog” that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury’s work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

Who is Eligible?

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

How do I Apply?

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 – 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 – 2020 Civil Grand Jury takes office on July 1, 2019.
