For purposes of Admin Code 96A.4, the Department utilizes the SDCS program definitions under AB953; a ‘stop’ is defined as 1) any detention, as defined in regulations, by a peace officer of a person or 2) any peace officer interaction with a person in which the officer conducts a search as defined in regulation.¹

Stops include Traffic Stops and Pedestrian Detentions. Stops may be Self-Initiated or Dispatched.

Due to an error in the Stop Data Collection System (SDCS), the information provided in this report cannot be broken down to depict the number of Self-Initiated vs. Dispatched stops for this quarter. Traffic stops and Pedestrian Detentions cannot be automatically parsed using SDCS data.

Three of the stops noted above indicated as resulting in contact with Department of Homeland Security (DHS) occurred at the San Francisco International Airport when individuals were released to the Transportation Security Administration (TSA), a subordinate agency of DHS, after contraband was found at a security checkpoint. One stop was related to a subject entering a restricted location of San Francisco International Airport, while TSA was also on scene - subject was cited and released. One incident occurred, also at San Francisco International Airport, in which a missing person was contacted by Customs and Border Patrol – SFPD responded and incident was referred to San Mateo Police Department.
