Bayview Station Community Room

Captain's Message

Dear residence and community members,

On Wednesday 05/22/2019, Officers from Bayview station and other city agencies conducted an operation in the old Alice Griffith housing area. Fivepoint is taking control of the area and they will be revitalizing and creating a thriving, mixed-income community at the Alice Griffith location. I have attached the summary of the work that has been done to the current date.

Sincerely,

Captain Valerie Matthews

Resolution Summary

Alice Griffith:

The existing Alice Griffith community consists of 256 units of multi-family public housing in San Francisco's southeast sector. The housing and its surrounding areas need extensive rehabilitation. A ground-up, completely new community is the most efficient and cost-effective way to provide existing residents with the highest quality housing that is both environmentally sound and equipped with modern amenities. HOPE SF, the Office of Community Investment and Infrastructure (OCII), and the San Francisco Housing Authority (SFHA) have worked with current lease holders to identify and sign leases for new properties. During the revitalization process, some vacant units have been reoccupied.

The San Francisco Housing Authority in partnership with HOPE SF, San Francisco Police Department (SFPD), Homelessness and Supportive Housing (HSH), and Department of Public Health (DPH) have led an outreach campaign for available resources including financial and shelter options for all those on site at Alice Griffith. All those on site have been made aware that the property will be transferred to a development agency (FivePoint) for the rehabilitation process.

Resolution:

All tenants with active leases have signed new leases with new properties and have moved out of the existing Alice Griffith site. A single, coordinated operation was conducted on May 22, 2019 in order to provide services, ensure the safety of all on site, and prepare the Alice Griffith site for property transfer to 5 Points. The coordinated operation included HSH, DPH, San Francisco Public Works (SFPW), and SFPD. An onsite service center was established on the day of the operation to ensure any individual or family interested in services were connected appropriately.

Department News

SFPD Chief Bill Scott Statement on Adachi Report Criminal Investigation 19-066

Over the last 48 hours, I conducted a top-to-bottom review of San Francisco Police Department's criminal investigation into the unauthorized release of the Jeff Adachi police report. At the request of San Francisco Mayor London Breed, we are seeking an independent, impartial investigation by a separate investigatory body. In the last 24 hours, I have reached out to outside agencies to take over the criminal investigation.

I am specifically concerned by a lack of due diligence by department investigators in seeking search warrants and appropriately addressing Mr. Carmody's status as a member of the news media. This has raised important questions about our handling of this case and whether the California shield law was violated. In addition to an outside agency, the Department of Police Accountability will investigate the execution of the search warrant on Mr. Carmody's home and continue their own investigation into the unauthorized release of the police report. SFPD, under the oversight of the Police Commission, will also review its protocols involving members of the news media.

SFPD's Statement of Values specifies that "policing strategies must preserve and advance democratic values." In this area, we must do a better job. Journalists and everyone in our City deserve a police department that will maintain the constitutional rights of all.

I am committed to leading a department that is transparent, accountable and reflects the values of our City. The residents of San Francisco, our Mayor and City leaders, the news media and the hardworking men and women of the police department deserve better. We understand that faith in SFPD has been shaken and we will work hard to restore it.

THIS IS YOUR CHANCE TO MAKE A DIFFERENCE!**Volunteer to serve
on the San Francisco Civil Grand Jury**

San Francisco Superior Court is seeking volunteers for the Civil Grand Jury. The Civil Grand Jury is the "watchdog" for the City and County of San Francisco. The Civil Grand Jury investigates the operations of City government, including officials, departments, and agencies. Each year, the Civil Grand Jury issues reports based on its findings. Those reports are heard before the Board of Supervisors.

The Civil Grand Jury will serve from July 1, 2019 through June 30, 2020. The application deadline is May 17, 2019.

Eligibility Requirements:

- 18 years of age or older and a United States citizen.
- San Francisco resident for at least the past 12 months.
- Able to commit time consistently throughout the term.
- Desire to work together with other committed San Franciscans.

Help make government more efficient!

For more information and an application, please visit

<http://civilgrandjury.sfgov.org>

What is the Civil Grand Jury?

- As required by the California Constitution, the Civil Grand Jury is a "watchdog" that investigates the operations of the City and County government, including its officers, departments, and agencies.
- The Civil Grand Jury is 19 members randomly drawn from a pool of applicants who volunteer to serve for a one year term.

How does it Work?

- Each Civil Grand Jury determines, by majority vote, which issues related to the government of the City and County of San Francisco to investigate. Typically, the Jury divides itself into committees, which carry out the investigations and write the reports.
- To do the investigations and write its reports, Civil Grand Jurors review records and financial documents; interview City and County department heads, elected officials, and staff; and visit government facilities. The entire Jury must vote to approve reports.
- After the Presiding Judge of the Superior Court reviews the reports to ensure they meet legal requirements, the reports are issued. The affected departments are required by law to respond to each finding and recommendation contained in the reports.
- The Board of Supervisors holds a public hearing on each report. The Civil Grand Jury presents the report, and each affected department responds. The Board of Supervisors then issues its own response.

When?

- The entire Civil Grand Jury meets once per week, generally in the late afternoon. Subcommittees meet as needed. Most of the Jury's work takes place during regular business hours.
- Jurors must be able to serve the entire term, from July 1 through June 30. Jurors must be able to commit time consistently throughout the term.

Who is Eligible?

- In order to volunteer to be considered for the Civil Grand Jury, you must be a United States citizen; at least 18 years of age; have lived in San Francisco for at least the past one year; have no felony convictions; and have the ability to communicate in English.

How do I Apply?

- Applications may be downloaded from <http://civilgrandjury.sfgov.org/join.html>, or you may pick one up at San Francisco Superior Court, 400 McAllister Street, Room 007. The application deadline is on May 17, 2019.
- The most qualified applicants will be invited to attend a mandatory informational session on May 21 or May 30, 2019.
- Selection by a panel of Superior Court Judges will be held on June 7, 2019.
- The 2019 - 2020 Civil Grand Jury will be trained on June 10, 17, 18, and 24, 2019.
- The 2019 - 2020 Civil Grand Jury takes office on July 1, 2019.

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
