Captain's Message

I was happy to meet with the community at the Summer by the Bay event at Bayview park / MLK pool. I had a nice day playing games and spending some time with the youth from the Bayview district. I plan to attend as many events in the Bayview as possible. Thanks for including the police at the summer play day.

As we move forward I hope to get to meet and talk to most of the Bayview residence. In addition, there are still a lot of summer events we can participate in, such as the 8th Annual Circus Festival, BMagic Backpack giveaway and finally, I hope to see everyone at the National Night Out on August 6th.

"We, the Police and the Community, need to work together for a safer and better Bayview for everyone."

Sincerely,

Captain Troy Dangerfield #250

@SFPDBayview

**Congratulations to our new Officers
that will graduate on July 26th!**

Officer Nick Birco #612

On July 26, 2006, Officer Birco was murdered in the line of duty by fleeing robbery suspects in the Bayview District. At the time of Officer Birco's death, he acted courageously in attempting to apprehend the robbery suspects and protect the community. Officer Birco was only 39 years old when he died and his lighthearted personality is deeply missed.

YOUR FEEDBACK
will help US serve YOU better!

The SFPD wants to hear from YOU, our key stakeholders

We are committed to excellence in law enforcement and are dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

We welcome your comments. Let us know how we're doing, what we could be doing better and your thoughts on how your police department can work more closely with the community it proudly serves.

Your feedback will help SFPD better serve our City. Your comments will be reviewed by our Community Engagement Unit and forwarded to the relevant unit, department office or neighborhood station for review and follow up, if appropriate.

You may also visit sanfranciscopolice.org/police-commendation-complaint for more information on providing input on SFPD policies and practices.)

With over 2,300 different telephone numbers listed to access local government services, many people did not know what number to dial to reach the appropriate department. Now you can connect to city services with only two numbers to remember: **911** for emergencies and **3-1-1** for everything else.

Before 311, over 50% of calls to the 911 center were not emergency related. **311** relieves 911 operators from these non-emergency calls. If a catastrophic emergency such as an earthquake occurs, **311** operators will be able to provide accurate information to assist during the recovery. In the unlikely event the 911 facilities become inoperative, the **311** call center will function as a back-up.
